We had so much going on that this month just flew by. I finished a halloween tract that we'll use on Halloween. Also encourage other Christians to use it when they give out candies on Halloween. Ray Comfort, a gifted evangelist in the L.A. area refers to Halloween as "National Evangelism Day."

He has explained when he originally came here from New Zealand, he was troubled how much attention there was on Halloween. Then he realized that there were masses of children that lived within a few block of him that were actually coming to his house for a treat. He thought, why not give them a nice treat and a gospel tract. He said the first time he tried it he gave out over a hundred tracts in just a short evening. What a great way to give the gospel out with so little effort.

At any rate I've written a Halloween tract entitled, "THE BEST Treat OF ALL." We've printed 2,000 and hope to give out 500 on Halloween night and many to Christians to give out with their treats. If you would like some we'll send them for free, just let us know how many.

The photos in this newsletter tell of so many stories that have taken place last month. Each outreach I can't tell you how excited we are to share Jesus and the gospel to many who are lost in a troubled world.

We have lots planned for the last couple of months of the year. We would appreciate your prayers as you remember us often. We believe strongly that God takes your prayers and is working all things for good.

May Jesus be known and treasured for His glory and praise. PTL.

We have ordered 1300 of these multicolor, LED votive candles, plus 300 various other LED candles. These actually change all the colors you see in this photo. 7 seconds between each color. We'll give them away in December with a new tract (almost complete) titled, "I AM the Light of the World."

I'm reading from the book of Romans chapter 1 that God has given everyone ever born an understanding of the creator by conscience, and displayed in creation. He challenged the statement until I showed it to him.

More about September...

I asked this JW man why would Jesus show Thomas His body that had the nail marks and spear mark if Jesus didn't have a body? Wouldn't Thomas believe that Jesus had indeed risen bodily from the dead? Oddly, this man initially agreed that Jesus rose bodily from the dead until I reminded him of Watchtower teaching. A problem indeed.

Once again, those that say a Muslim woman won't talk to a non-Muslim man one on one proven wrong. I had a delightful conversation with this Muslim woman about Jesus, the Quran and the Bible. I almost always point out what the Bible says about Jesus and what the Quran says about the gospel. She took the gospel of John as well as our tract "Jesus and the Quran." I know she had doubts about Islam.

Marc prayed with this young man at SDSU who was struggling. I don't recall the exact issue but he was pleased that Marc would pray for him.

Gil and I both talked to this young man at SDSU at length. You can see that Gil has his Bible opened as he was teaching this man from the scriptures about Jesus.

What's Happening and What's Coming???

Octoberfest almost here... About the time you receive this we are at the Octoberfest in La Mesa (Lord willing). 4 or 5 are committed to come. We will report in a few weeks.

Halloween outreach... We now have our first Halloween tract and plan on (Lord willing) to give out 500 with treats. We are including a copy with this newsletter. If you would like to use this tract on Halloween please email me soon.

Decipling opportunites... Please pray that we will have decipling opportunites in our outreaches. We believe that God has young people that need a mentor and we wish to be that helper.

*Blessings,
Jerry and Dianna*
