

# Intensive Workshop 1/3

# Exploring Energy

How to manage the quantum worlds of energy

## Exploring Energy

Exploring energy and staying safe in the energy world

### WHAT ENERGY IS SAFE FOR US?

It's important to have the tools and skills to notice if you are comfortable with an energy. This module will walk you through several simple yet deep tools and skills....

- How it's YOUR right to choose when you're with a spirit beings.
- In the inner worlds – we also need to be on the alert to assess if we're safe.
- Learn to tune in to check if the spirit energy feels correct.
- This is your opportunity to be in steady safe hands as you LEARN. This training is invaluable.
