

ALL Current officers Present: Emily Grajales, Jenny Seachrist, Ken Lauver & Shanna Davis

- This impromptu meeting took place at the division banking branch to simply take care of some needed housekeeping. All the current officers were added to the bank account and any other names were removed by Ken Lauver, the current treasurer and who was the account authority. Since Ken will be stepping down as treasurer at the end of the season, the primary account authority was changed to Emily Grajales, the current chair as she will remain as such in the new season. Currently, Emily Grajales, Jenny Seachrist, Shanna Davis and Ken Lauver have access to the division account.
 - The agent confirmed officer names on SunBiz.
 - New debit cards were ordered for Emily, Jenny and Shanna.
- When the new season starts Emily can meet Robert Szokolay at the branch and he can then be added to the account as the new treasurer. (an updated officer list will need to be sent to the state.)
- Ken Lauver clarified that at the end of the season, he will close the separate division credit card in his name and that Robert will need to open a new credit card for the division with himself as the primary.
- While there, officers discussed the dates and event types for next season's Division Championship Series. This past season was the first year that a Juniors event was included in the championship and it was scheduled concurrently with Vet events. The turnout for the Juniors event was low and it has been expressed that more veterans would participate in events that coincided with Senior Events. Further discussions are needed to finalize event types and solidify dates for next season.
