

OUR MAIN PRIORITY:

To assure the health, well-being and safety of seniors.

**MAKING SURE SENIORS
HAVE THE SUPPORT
THEY NEED**

Why do we exist?

We are the *Solution for Seniors* who need support. 1 in 3 New Jersey seniors in urban communities live below the poverty line. Additionally, many of these seniors have no one to assure their basic needs are being met. *LVP Senior Solutions* links seniors to services, THEN, follow-up with seniors and care teams to assure services are provided. Our job is to hold everyone accountable for the health and well-being of the senior.

Our trained *Resource Connection Specialist* work one-to-one with seniors and their service providers to provide the best quality of life for the senior.

How do we exist?

LVP Senior Solutions is a senior oversight program under LVP MISSION MEDIA, a 501(c)3 non-profit organization who exists through the generosity of others and kindness of our volunteers.

OUR MISSION:

To assure the safety, security and stability of Senior Citizens.

OUR GOAL:

To assist seniors in having the greatest quality of life possible by holding those accountable who are involved and responsible for maintaining their safety, health, care and well-being.

OUR VISION:

To create a global senior advocacy network that prioritizes seniors well-being, maintains their dignity, engages with respect and guarantees their access to the resources that maximizes the fullness of their lives.

WHAT WE DO:

Advocate - Each senior is assigned a *Resource Connection Specialist* who assesses their needs, informs their facility social service coordinator, refers the provider, schedules the appointment, follows up to verify services rendered and conducts stabilization monitoring.

Interrelate - Our *RCS's* work with our *trained volunteers* to provide weekly phone contact and home visits. Through our *on-call* senior connect system, the RCS and / or volunteers also make *bi-weekly home* visits for 90 days after services are rendered.

Coordinate - We *work collaboratively* with family members, care providers, facility staff and clergy to coordinate services and create the best environment for the seniors success.

Celebrate - For seniors who have family interaction and are able to tell their life stories (and want to), we produce *script to screen LVP Legacy videos* as mementos for the family.

OUR VALUES:

PASSION

We love what we do. We believe Seniors deserve love, respect and protection. We are committed to being their voices, eyes and ears as they live out their golden years.

PERFORMANCE

Our team of (*RCS's*) *Resource Connection Specialists* are community connected and culturally sensitive to the challenges of the population we serve. We operate with an awareness of the inequities faced by marginalized groups. Our advocacy comes from a place of love, empathy and understanding.

We are committed to improving the quality of life for today's most vulnerable seniors. We model the best advocacy practices in hopes of becoming the standard of senior care.
