

2024

VETERANS DAY PARADE & FAIR

SPONSORSHIP FORM

The Grapevine Parade Committee is in the process of organizing the 2024 Veterans Day Parade, which will be held on November 9, 2024. This will be the ninth year for this parade committee to organize this event which continues to be bigger and better every year. The parade consists of many different activities for the community as well as our veterans. We value community support and monetary donations to continue these activities to honor our veterans.

The Committee's objective is to not only celebrate and salute our veterans, but to use the Veterans Day celebratory parade to draw attention to the many organizations to help all veterans in need. The vehicle for this will be the informational kiosks manned by several veterans organizations at the Veterans Fair.

We would be grateful if you could support our parade. We anticipate over a thousand people attending this year, and our veterans are running most of the event. If you support us, we will include you in all marketing materials, to our website and recognize you at the parade.

The amount you give is up to you. The following are options to consider when considering this sponsorship request.
