THIS IS WHAT OUR VERSION OF FINANCIAL PLANNING LOOKS LIKE.

Planning for tomorrow doesn't only mean the distant future. It means, well, tomorrow. Sixty seconds from now is just as important as sixty years from now, and we'll help you make the most of all of it. With a personalized financial plan based on your life and priorities, tailored to help you do all the things you love, planning looks less like planning and more like living. Spend your life living.®

Waterford, Ohio

In 1959 the first fair came into existence when the Waterford Grange No. 231 was asked to come up with an idea for a community activity for the Beverly, Waterford area. A Community Fair was suggested, and the Grange provided \$100 toward expenses. The fair was held in an open field in Waterford at the end of Virginia and Washington Streets and afterward the \$100 was repaid to the Grange. Since there were no buildings, tents were rented for the livestock, fancy work and food stands. The Grange served food from a tent with a wide board stationed on saw horses and kept drinks in a big wash tub of ice. They cooked hot dogs in William and Gladys Meredith's kitchen and took them to the tent to sell. Bob Miller was chosen to be Parade Marshal because he had done the electrical work. He also provided rides by driving a garden tractor with a trailer. Horse and pony shows were featured. Bill Chipps was asked to bring Ayrshire cattle to show, Charles Campbell showed Brown Swiss and Neil Milner showed Holstein cattle. Other events were climbing a greased pole & catching a greased pig. Entertainment consisted of hay exhibits, an old fashioned fiddling contest, displays by 4-H, FFA, Girl & Boy Scouts, church groups, & school groups. The old country store had household appliances, motor oil, house paint, and many other items auctioned off to the highest bidder, many of which were donated by local merchants. It began with a parade. Prizes were given to the best performing band, outstanding float, best decorated bicycle and horse riding. Oran Adams sold tickets at the fairs. No bathroom facilities were available. Ronnie Eichmiller provided many hours of his time to the fair. In the beginning the electrical work was put up for each fair and when the fair was over it had to be taken down. Mr. Crooks, a barber in Waterford, helped as well. Dave Lowe was appointed official Fair Veterinarian and received \$10.

There were six directors as the Constitution states. In 1960, the fair was moved to the Drake and Leibrand properties. Ida Drake cooked the hot dogs this year in her kitchen. They basically had the same set up with tents. This year they added Kart Races under the supervision of the McConnelsville Kart Club. A dance floor was built. Church services were held. Barlow Twp. Vol. Fire Dept. won a prize for the newest fire equipment at the fair. They had purchased their truck in May of 1960. The Harrison Twp. Fire Dept. from Philo, Ohio had the oldest equipment and drive the farthest. This year the board decided to make some extra money and had a Donkey Basketball Game.

In 1961, the fair moved to the Wolf Creek Recreation Grounds, and is still held there today. The grounds are known as the Community Fair Grounds.

In 1964, the fair began on Thursday night the Starcher Building was completed and they were putting the siding on it by lights the night before the fair.

In 1971, a motorcycle rodeo was introduced. The PTA put up a building for food sales. This was the first year for the Hog Show and Sale. There was a swine sale of 5. Hogs had been shown before this date on the fair grounds, but did not sell.

OUR MISSION

Mary's House is a nonprofit Catholic based home for pregnant women 18 and over, of all faiths whose desire is to "save the children". Mothers who otherwise would have no loving or nurturing home to learn to care for themselves and their newborn child(ren) are welcomed at Mary's House. Here they will come to embrace the Sanctity of Life in all stages.

In Loving Memory

Honoring the Lives and Legacies of Darren Ball, Mary Campbell, and Kendrick Schwendeman

The Waterford Community Fair is built on tradition, community, and the hearts of those who pour their time and love into it year after year. This year, we honor the memory of three remarkable individuals whose legacies continue to shape the fair we hold so dear.

Darren Ball

Darren was a shining light at the fairgrounds—always smiling, always encouraging, and always ready to lend a hand. Whether announcing the tug pull or pitching in before and after the fair, Darren's energy and positivity were contagious. He was a storyteller, a jokester, and a friend to all, and we're certain everyone has a "Darren story" that brings a smile. His absence will be deeply felt, but the joy and laughter he gave us will live on in our hearts and memories. Rest in peace, Darren—you will never be forgotten.

Mary Campbell

Mary never met a stranger. Her warm heart and helping hands reached every corner of our community. She played a vital role in the Waterford Community Fair, especially behind the scenes of the hog barn. Though she wasn't an official fair board member, she worked tirelessly beside her husband to help run the hog show and sale for many years. Mary was instrumental in the fundraising efforts that brought the hog barn to life—leaving a lasting impact on generations of fair families. She was deeply rooted in her faith, family, and service. Her legacy will live on in the barn she helped build and the lives she touched.

Kendrick Schwendeman

Kendrick was more than a fellow fair board member—he was a friend, a leader, and a beacon of light in our community. With a beautiful smile, a contagious laugh, and a heart for helping others. His dedication to the fair was unmatched, often working long, late nights at the tractor pull and stepping up wherever help was needed. Kendrick's selflessness, kindness, and love for the Waterford Community Fair leave a lasting legacy. His spirit will continue to guide us as we carry his memory forward in everything we do.

Though they are no longer with us in person, the impact Darren, Mary, and Kendrick made will never fade. They each embodied the true heart of our fair—and we honor them today with gratitude, love, and remembrance.

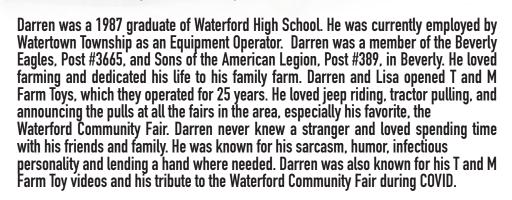

Forever a part of the Waterford Fair family.

2025

Waterford Community Fair Parade Marshal

Your 2025 Waterford Community Fair Parade Marshal is in Loving Memory of Darren Ball, President, CEO,

He is survived by his wife, Lisa Renee Hinton Ball, whom he married on December 10, 1996; two children, Travis Ball (Hannah) and Megan Ball; two granddaughters who meant the world to him, Ava and Aliza; siblings, Andy Ball (Carla), Rita Stollar (Keven), David Ball (Laura); and many extended family and friends, including a special friend, Beth Branham.

Darren and Lisa were big supporters of all the local fairs. Both Travis and Megan were active in 4–H and FFA. Darren's favorite time of the year was fair time. Although Darren was super ornery he had the biggest heart, and always wanted to give back to his Beverly/Waterford Community. At Christmas time Darren and Floyd Nibert started raffles to help raise money to support local people in need.

Darren was a shining light at the fair, always bringing joy and positivity to everyone around him. He was always full of fair memories, and we're certain each and every one of us has a Darren fair story we could share. His presence will be deeply missed, but his legacy will live on in the memories and laughter he gave us all.

It is the fairboard's utmost pleasure to honor the memory of Darren Ball as the 2025 Community Fair, Inc Parade Marshal.
