Names of God Poster Directions - Print-out on 24 lb. printer paper. Tape pages together on the backside to make the poster. Color in words using colored pencils, markers, colored pens, inks, watercolor paints.

Creative idea: Make a color wheel with 12 or 18 divisions using watercolor paint. (See YouTube) Transfer all the lettering to a large piece of cold pressed watercolor paper. With a long ruler, divide up the poster in pie-like sections like your color wheel, using the same number of divisions. Draw the dividing lines very lightly so you can erase when finished with the poster. Use your color wheel to guide your color choices. Fade colors within the word near the dividing lines to transition from one color to its adjacent color according to your color wheel. When finished, please send me a picture of your finished poster so I can see your beautiful work!
