STATEMENT

Art-Alive Academy, an affiliate of the Art-Alive Arts Trust, is deeply rooted in the belief in the transformative power of the arts. We are dedicated to bringing about positive change and enriching the lives of individuals and communities. Our mission is to make high-quality artistic experiences more accessible to a diverse range of people. To realize our vision, we are seeking to raise £7 million to acquire a building in Peckham, a vibrant area undergoing significant redevelopment. This presents a unique opportunity to establish the Art-Alive Academy as a creative and educational hub for young people. The funds will go towards acquiring and equipping the building to serve as a center for arts and culture, providing space for young creatives to explore their talents, receive mentorship, and collaborate with the community. We are looking to partner with like-minded philanthropists who value meaningful relationships and collaboration across sectors. Your support will not only help bring the Art-Alive Academy to life but also address inequalities and barriers in accessing the arts. Together, we can empower young talents and create a positive impact on the community. Please feel free to reach out for further discussion or information. Thank you for your dedication to supporting the arts. Let's work together to nurture young talents and inspire change. Lanre Olagoke MBE Art-Alive Arts Trust
