

## **FAQ'S**

- **How Do I get my child signed up for summer or fall 2024?**
  - Fill out the waiting list form.
- **Can I choose if I want my child to start in the summer or fall?**
  - You can put your preferred start date, but it all comes down to availability.
- **Can I choose my child's schedule?**
  - Yes, we try to accommodate all schedule requests. We may need to switch days around. It all depends on availability at the time of registration.
- **What is the process of the waiting list?**
  - Once our current students turn in their registration forms, we will then know how many spots will be available for summer/fall 2024. We will then go down the waiting list to start registering new students.
- **Am I guaranteed a spot if I fill out the waiting list?**
  - No, the waiting list is first come, first serve. Our waiting list fills up very quickly, and a spot is not guaranteed. Each year the number of new enrolling students varies, depending on our current students. Some years we have more spots available because majority of our Pre-K/Kindergarteners go off to public school.
- **Do I have to pay to be put on the waitlist?**
  - No
- **Is there a registration fee?**
  - Yes, \$75/child, \$125/family.
- **Is my spot held once I pay the registration fee?**
  - Yes. You will only be asked to pay the registration fee and register your child if a spot is available. Once the registration fee is paid, your child's spot will be held.
- **Can I start before summer 2024?**
  - No, we do not register new students during the school year.

**If you have any questions or would like to check the status of your waiting list form, please email [laketappsmontessori@gmail.com](mailto:laketappsmontessori@gmail.com)**
