Commanders Corner

From the desk of the Commander Hardin Post 113

Dear Legionnaires and Family Members:

Fall season is here. We hope everyone had a great summer and enjoyed outdoor activities. Make sure to check your heating sources before it gets cold. Inflation has really hit home this year, so please continue to do buddy checks as it may be harder on accounts with energy price increases. The Post has a new Veteran Service Officer, Tom Dube'. Please make him feel welcome. He has walk in hours on Wednesday from 1000-1500 and open for appointments on other days. His e-mail is vsopost113@gmail.com and phone is 502-430-2272, or the legion 270-737-9949 to make an appointment. We will continue to schedule entertainment for you to enjoy indoors. Make sure to check the calendar, or Facebook to see what we have coming. On September 24th we had a family picnic. It was advertised on Facebook and in the bugler. Not many people attended this great event and that was disappointing, as we put a lot of work into the planning of it. There was a lot of great food and games for the kids to enjoy. These events are planned to build camaraderie and family cohesion, so please come out to support your Post.

Our general membership meetings are always on the 1st Thursday of each month. We serve dinner, free to members, at 1745 and the meeting starts at 1900. Come out and show your support, give ideas for activities/events you would like to have. This Post is here for all of its members, and we make every effort to plan things you would enjoy.

I hope all who was able to attend the 2022-2023 Homecoming for Rhonda Hay & Nancy Moses had a great time. Congratulations to both of them! If you didn't know, Rhonda is the first elected female commander in Ky and Nancy Moses is Department of Kentucky's Auxiliary President.

I've heard the Jimmy Buffett themed event night was a success with the good music and food. The weather was great for the Legion Family Day. Thank you for participating and bringing food to share.

Bring your friends and family to support the monthly all-you-can-eat breakfast on Oct 8 from 8-11am. To volunteer your help with this event contact Diane Kennedy.

Our fall conference is scheduled for October 20st thru 22nd in Florence, Ky. I will be attending the 22nd date, so hope to see you there. It should be fun and informative.

Auxiliary has a Halloween dance scheduled for October 29th. Discussion is in the works about a few prizes for the best costumes, etc. Costumes are optional. The kitchen will be opened for food to purchase. There is another dance on schedule for October 15th. Both dances are open to the public.

Our next general meeting night is October 13. There will be roast turkey w/gravy & dressing; so, please attend and bring a few covered dishes to share with our other members.

There is a Blood Drive scheduled for Oct 27 from 2-6pm at the American Legion. You can reserve an appointment online in their app or walk-ins are accepted.

There are a lot of fun activities planned for October; please see the event page and rest of newsletter.

Remember to pray and support our troops and members in need. Please volunteer when you can.

American Legion Riders

From the Saddle Bags of Hardin Post 113 ALR Director

KICKSTANDS UP

Hello Riders and Legion family! The Legion families participated in some membership drives the beginning of the month at several locations. Thank you, Tom, for representing us and working hard to introduce the Legion families and the Riders to the community. We started rides off with a terrific trip over to Butcher Hollow and visited the childhood home of Loretta Lynn. The weather looked a little sketchy at the beginning, but the group got through the weekend with just a little rain. Great overnight ride from what I heard Bobby! We also had a ride meeting to plan rides for the rest of the year through our annual Frosty Clutch ride. The schedule is posted to our Facebook page and on our board at the post. Thank you to those who volunteered at the post Open House giving tours and helping drive membership and interest in the post and chapter. Mid-month, a few riders rode to the Healing Fields supporting Post 34, the weather was great for a retiree ride or two, and capped it off at Family Day. It's also that time of year when deer like to avoid hunters so be sharp, attentive, and aware of those pesky jaywalkers! October has a couple great nature rides upcoming so check out that schedule and hope to see you at the post for kick stands up. Ride safe and thank you for everything you do!

Legion Family Devotion

This October let us thank God for our roots. To be sure, we thank God that, as members of our Lord's church, we have "Christ Jesus the Lord, walk in him, and are rooted and built up in him" (Colossians 2:6-7). We also thank God for providence so we can contribute to the four pillars of our American Legion which are: Veterans Affairs & Rehabilitation, National Security, and Children & Youth Services.

For many people, October 31st is a day to dress up in costumes and travel from door to door asking for candy. During these holidays stress can rear its ugly head in our lives. Despite the fact that the word "Stress" isn't mentioned specifically in the bible it is consistently referred to through synonyms such as anxiety, worry, troubles, adversity, burdens, anguish, fears, dismay, trials, strain, tribulations, and betrayal. Jesus is warning His disciples that life is about to get stressful. He tells of difficult circumstances taking place in governments, communities, and the world as a whole. Despite the differences from biblical times to now the presence of stress and our need for God are the same. At the center of the Christian faith is the assurance that salvation is based on the unearned free gift of God's grace. Though we are sinful children, deserving of God's wrath and anger, we receive the riches of his love and forgiveness.

God's gift of grace is received through faith in what Jesus has done for us. Our good works and the good things that we do flow out of a right relationship with God, but these good things do not have the power to make us right with God. In St. Paul's letter to the Ephesians "For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not a result of works, so that no one can boast" (Ephesians 2:8-9).

During the month of October, I encourage you to take some time to remember the core teachings that were preserved by God. Take seriously the truth that God continues to curb you from sin and error and preserve your life in Christ alone through his holy Word and Sacraments.

Please pray for those in need in our Legion Family: Misty Corbitt, Bob Craig, John Crow, Peter Edmunds, Lenny Hart, Mark Kennebeck, Darlene Probus, Tony Satterfield, Russell Tucker, Glen Walters, Kim Walters, and Jerry Watkins. Please contact Post 113 Chaplain for prayer needs and blessings 502-509-1615 or post113chaplain@windstream.net
