Commanders Corner

From the desk of the Commander Hardin Post 113

Dear Legionnaires and Family Members:

I hope everyone had a safe and fun Halloween, filled with candy and good laughs. November is here; the leaves will soon be off the trees and snow falling. If you haven't already, now may be a good time to check the serviceability of your heating systems. Thanksgiving is around the corner, take time to enjoy the company of friends and family on the special day. Also remember to check on those without families, it may be a difficult time for them, and a small buddy check may mean the world to them. Spend a little time to think of those who could not make it home to celebrate Thanksgiving with their families. Please continue to follow us on Facebook and read the bugler for information. There are several bands and events lined up, so come out and enjoy the post. Our annual Veteran's Day ceremony will be held at Nature Park off ring road and begin at 11:00. A lunch will be served at the legion immediately following the ceremony. Thank a Veteran(s) for their service and sacrifice they made for this great country. Without those Men and Women, we would not be able to enjoy the freedoms we have.

FOR GOD AND COUNTRY

Happy Fall! It is so hard to believe that it is November already. Isn't this time of year beautiful with all the colored leaves? I'd like to wish everyone a Happy Thanksgiving. I hope you will have opportunity to spend time with your loved ones. Be thankful for each and everyone of them! November is a busy month at our Legion and shows lots of opportunities for mingling with others. I want to thank Steve Stewart for his cooking talent and his generosity with the turkey, gravy and dressing at our last potluck sponsored by the SAL in October. It was delicious! I'm hoping all who attended the Auxiliary Halloween Costume Dance had a great time. On schedule for Nov 5th is The Hard Road Band and Nov 12th will feature the Casey and Romy Band. Be sure and give both bands a big welcome as I think this will be their first time playing at our legion. These dances are opened to the public so hoping that you invite all your friends and neighbors. Just remember they have to be at least 21 to enter. Don't you think the more to attend, the merrier the events will be? Tony's Nascar Party on Nov 6th will be on the Lounge side with a Potluck to start at 2pm. The Daylight Saving Time ends on the 6th so make sure your clocks are turned back one hour. Don't forget to support your candidate by voting on the 8th. The Veterans Day ceremony will take place Nov 11th at the Elizabethtown Nature Park at 11am with beans and cornbread afterwards at the post. Our next General Membership meeting is Nov 10th and there will be a potluck prior (no main entree), so asking everyone to bring a few covered dishes for sharing with our other members. Our monthly all-you-can-eat breakfast is on schedule for Nov 12th. Garyoke will be Nov 4, 18, and 26th on the lounge side. Remember to pray and support our troops and members in need. Please volunteer when you can.

KICKSTANDS UP

Hello Riders and Legion family! October was a great month to get out on the bike or trike. There were some brisk days, sure, but you hardly noticed if you bundled up. Lol. A retiree ride, an impromptu ride end of month, and the last of our scheduled rides until the frosty clutch new year ride were completed over the month. The Natural Bridge ride was quite chilly but a beautiful ride (so I was told). We followed that up with our last scheduled ride which provided some of the best fall colors we've seen in quite a while down to Cumberland Falls.

In our non-riding events, Tom attended Ft Knox's Retiree Day at the Saber and Quill. The Legion families have had quite a few events this year and Tom has been instrumental in supporting these events for us.

I want to thank everyone who helped with the outside cleanup of the legion. We washed the bricks and front entrance concrete, blew some debris from the parking lot, trimmed the landscaping, and cut down the dead trunk in the back. Finally, we ended the month with the Legion Halloween party, Trunk or Treat, and picked up a couple ride opportunities with Toys for Tots events returning!

Ride safe and thank you for everything you do!

Legion Family Devotion

It is now November. A special day for Veterans, families of Veterans and all Americans in November is Veteran's Day. I suggest we take time to thank all of our veterans currently in the US Military and all veterans for our freedoms. Let us not forget all the family members who kept things going while we veterans were away. I was deployed in Iraq and Afghanistan. I had the luxury of knowing my family was able to keep things running until my return. Some of my fellow veterans had family issues that made them non-mission capable. I thank God for all the military chaplains that were with us everywhere we went to give us spiritual guidance. "Blessed are the peacemakers, for they will be called children of God" (Matthew 5:9 NIV) We seem to be experiencing an overdose of negative news added on top of each of our personal stress. We are now getting close to Thanksgiving, Christmas, and New Year's Day. This may cause our emotions to run away with us. We have a place to go for peace and tranquility in our busy lives. John 16:33 "I have told you all this so that you may have peace in me. Here on earth, you will have many trials and sorrows. But take heart, because I have overcome the world." Even though the word "Stress" is not listed in the Bible, if you read the Bible, you can see many instances of anxiety, worry, troubles, adversity, burdens, anguish, fears, dismay, trials, strain, tribulations, and betrayal. Once again, the Bible can give us guidance in these troubling times. Something to be thankful for in November is Thanksgiving Day. God is good all the time, and all the time, God is good! While a statement like that may sound a bit "cliche," we must realize it's true! Much of the world considers Thanksgiving as just another excuse to throw a party or watch football all day, but we, as believers, know it goes far deeper than that. In addition, we know that Thanksgiving is not just a "day," but it's a mindset! The Bible shares many scriptures on the importance of being thankful, giving thanks, and even entering into times of worship WITH thanksgiving! Psalm 100:4 (NKJV) 4 Enter into His gates with thanksgiving, And into His courts with praise. Be thankful to Him, and bless His name. The Bible tells of a beautiful story of Jesus providing miraculous healings for ten individuals suffering from Leprosy. This amazing story is found in Luke 17:11-19, and while it shares the incredible fact that Jesus is our healer, it also gives a powerful lesson on thankfulness. If you take time to read the story, you will see that out of the ten who experienced healing from this horrible disease, only one of them took the opportunity to turn around and thank Jesus face to face. Luke 17:15-16 And one of them, when he saw that he was healed, returned, and with a loud voice glorified God, and fell down on his face at His feet, giving Him thanks. And he was a Samaritan. Please pray for those in need in our Legion Family: Misty Corbitt, Bob Craig, John Crow, Peter Edmunds, Lenny Hart, Mark Kennedy, Rick Lee, Darlene Probus, Tony Satterfield, Glen Walters, Kim Walters, and Jerry Watkins.
