See the Facebook page, or website for further details. We have a new cook, please make her feel welcome. The kitchen is open on the regular hours and days, but will remain closed on Sundays. July started out big 2023 membership drive and early bird pricing. New door cards are also in. If you have a current 2023 membership, come by and trade in your old one. The cost will remain \$30.00 through the end of august and then return to the normal \$40.00 in September. Please spread the word and bring in some new members. New and renewal membership can be done on line at [www.hardinpost113.com](http://www.hardinpost113.com).

We are still in need of a service officer. ## Auxiliary Unit 113

*From the desk of the President Auxiliary Unit 113*

Well, July has come and gone. What a fun day we had celebrating July 4th at the Legion. The auxiliary had a huge success with the cakewalk this year. A big thank you goes out to everyone who baked and donated cakes. There was so much variety for the winners to choose from. Also, thank you to each of our volunteers helping with the children's games.

Don't forget to come out with your dancing shoes on and be ready to kick up your heels to the band of Little David and Bad Company on August 20th. Tony Satterfield will be hosting a Nascar party in the lounge on August 21st with a potluck starting at 2pm. This event has always generated a nice crowd, so come early and stake out your seat. Please join us at our next monthly breakfast which will be on August 13th. If you would like to volunteer for this breakfast, contact Diane Kennedy. The next Auxiliary E-Board meeting is scheduled for August 4th at 6:15pm. Our next general membership meeting is Thursday, August 11th. with a potluck starting at 6pm.

I'm hoping to see everyone out having fun at our DJ membership dance on Saturday July 30th. Don't forget to check the calendar and event pages for more upcoming events.

Remember to pray and support our troops and members in need. Please volunteer when you can.

**KICKSTANDS UP**

Hey Riders and Legion family! I can't believe we're already through July. This year is flying. We kick started July visiting Elizabethtown Nursing and Rehabilitation Center. I think Darlene was trying to one up Tom for the U-turn crown. It was nice spending some time with the residents and they enjoyed getting to see our bikes, trikes, and a sidecar. Thank you to everyone who came out to celebrate July 4th at the post (thanks Rich for keeping me cool in the dunking booth). We had a terrific early bird membership drive followed by a great ride down to Mammoth Cave. Retiree rides are still going strong and we enjoyed a refreshing ice cream ride over to Hodgenville mid-month. Lil Bob lead a group down for the Fort Campbell ride and poker run and one of our own came out with the winning hand! Overall, we enjoyed some great opportunities to get together and enjoy some wind therapy in spite of the heat. Can't wait for some of these upcoming rides and to spend some time with you all out on the road.

Ride safe and thank you for everything you do!

## Legion Family Devotion

We are in full summer mode. If you have lived in Kentucky for several years, you can see that during our hot summers are when most activities in the state are held. For many, August is known as the final scorching days of summer. But for all God's people it is a good time to reflect on endings. It is the end of summer, and for some youth on summer vacations, it is the end of freedom. The summer is ending, a bittersweet feeling. At the end of days, for example, God promises a newer, brighter beginning. He offers a chance to start over fresh and forgiveness. Often times, the end of a thing is more valuable than the beginning of it. Ecclesiastes 7:8 says, "The end of a matter is better than its beginning, and patience is better than pride." Thank You, Father, that You know the end from the beginning and that everything is within Your authority. That You are in control of all that is happening in our individual lives and the wider world in general. If you are God's will, if you're trying to live your life according to the way God wants you to live, then you'll eventually see that these experiences have purpose and value in your life. Let us watch over each other for heat injuries and any signs of medical issues. Just as our heavenly Father watches over us, we too can give some words of caution and encouragement to each other. Let us also not forget about forgiveness. This can be a challenge for many people. Matthew 6:14 says, "For if you forgive others their trespasses, your heavenly Father will also forgive you." Let us watch out for each other. There is always something good on the other side.

Please pray for those in need in our Legion Family: Darlene Probus, Bob Craig, Jerry Watkins, Harry Braxton, John Crow, Lenny Harty, Mark Post, Alegra Barrett, Misty Corbitt, Tony Satterfield, Glen Walters, Kim Walters, Doug Adams, Russell Tucker, Peter Edwards, Harry Braxton Jr and Rick Lee.

Please contact Post 113 Chaplain James Borg for prayer needs and blessings 502-509-1615 or [post113chaplain@windstream.net](mailto:post113chaplain@windstream.net)
