

## **Sandy Gross, Executive & Career Coach**

Sandy has 30+ years of leadership experience gained in executive search from Spencer Stuart, commercial banking and running human resources for a global multi-billion dollar hedge fund. In these roles, she has built global teams, run world-wide training and overseen quality control programs.

Sandy is a lifelong learner of coaching and is committed to developing talent and human capital across industries. She graduated from Columbia University's Coaching Certification Program and is a Certified Coach by the International Coaching Federation (ICF).

Additionally, her search firm, Pinetum Partners, is ranked as one the 50 Leading Executive Search Firms in the US for Financial Services.
