## EDSO SUMMER PICNIC

### A report from our President

On July 7<sup>th</sup> twenty-six EDSO members and guests attended the annual EDSO picnic at Fields Park in West Linn. Our events coordinator and Vice President Erik Miller organized the whole shebang, choosing the beautiful park, establishing squatters rights for the picnic tables and shelter, and ordering and transporting the box lunches from Slick's Big Time Barbeque in Wilsonville. Parking was easy, the food was delish and the company was great! Thanks again, Erik.

Noreen and Jim brought a giant bubble-maker that for a brief time carried us off to a second childhood. If we weren't making gigantic bubbles we were in the audience oohing and ahhhing! The pictures attached

are proof positive of our good time. If I missed a person or two, my apologies. I will get your picture next time!

Even though we have five months before we elect and install members of the EDSO Board of Directors for 2022, please give some thought to serving on the Board and/or leading and organizing events. If you would like to further understand the different ways to serve EDSO, you are welcome to attend the upcoming Board meeting.

Word has it that Erik Miller (our hard-working events coordinator) is working behind the scenes to get a dinner at Oasis Restaurant in the Murray Hill Beaverton Area back onto our schedule. Watch the skies (or your screens) for the news of our new chance to enjoy this lovely location with EDSO friends.

### DINING AND EVENT RECOMMENDATIONS

Our secretary Roy Marshall has outdone himself to provide us with some happy recommendations for both dining and fun.

Your contributions for the newsletter are needed and appreciated too. This newsletter depends on that. Send your ideas for places to go and recipes as WORD dox to your editor ([noreenmoconnor@yahoo.com](mailto:noreenmoconnor@yahoo.com))

Back to our happy news from Roy..

**First, a Happy Hour:** The Stockpot Broiler is well known to EDSO, since we've had a few Christmas Parties there. What might not be so well known is their Happy Hour. Daily from 4 to 6 PM (Monday from 3 PM to close) they have interesting food specials and some reduced-price drinks. Food items run from \$5 to \$9 (menu link is below). Their lounge is small to medium sized but they also have numerous outdoor tables, including many under a large tent. You have a nice view of the golf course and it's really pleasant. They do get busy so an early start is advised.

**Second, a “Happy” recommendation:** An ice cream shop in Beaverton. The name is **Ome Calli Frozen Treats** located at 12795 SW Canyon Rd. Beaverton. The website is <https://www.omecallifrozentreats.com>. They have a wonderful selection of house made ice creams and other frozen treats. The flavors are Mexican-oriented and they have a very large selection. Really tasty! Check the website for the flavors available.

**Lastly, a Happy event** that is new to me though apparently it is a long running one. It is a celebration of a classic small town in the Pacific Northwest. On August 7 and 8, Vernonia holds the **Vernonia Friendship Jamboree and Logging Show** to celebrate the logging industry and their skills. Events are on both Saturday and Sunday August 7 & 8. Keep in mind the logging show itself is on Sunday the 8<sup>th</sup> with events starting at 11 AM. Roy and Susan plan to attend. Sure sounds like fun. Maybe we will see you all there. <https://vernoniafriendshipjamboree.com>

(Remember: happiness is helped along by checking for yourself on ever changing details about venues and events.)

Hope to see you soon!
