Ashdown First	\$ 210.00	While there are no longer Mission Education credit goals, we encourage churches to highlight missions at least monthly. We encourage using resources from NMI Central for your mission education needs for adults, youth, and children. Rev. Susanna Marston does an excellent job preparing information for local church use. Please consider hosting a missionary for deputation.	Go to www.fundingthemission.org	Please consider a deputation gift for our LINKS missionaries (Hendrixes) and our adopted pioneer missionaries (Pages). Also look for creative ways to connect with them throughout the year.
