

Assistant Golf Course Superintendent

Role

Responsible for the overall condition and maintenance of the golf course operation to ensure quality-playing conditions. The responsibilities include turf grass/plant material maintenance programs, property/asset management, scheduling/maintenance of irrigation systems, pesticide applications and related recordings, regulatory compliance, personnel management, financial management, and guest relations. The Assistant Golf Course Superintendent works to create an environment where staff is involved and enthusiastic, with open communication and respect for themselves, golf members, hotel guests and the property. This position reports to the Golf Course Superintendent.

The Assistant Golf Course Superintendent responsibilities, but are not limited to:

- Responsible for all phases of Golf Maintenance and Agronomic operations, cost control, and personnel.
- Creates and follows a detailed annual agronomic plan for the Golf Course.
- Supervises and participates in the application and recording of chemical applications (fertilizers and pesticides) on the Club's grounds in compliance with all local, state, and federal regulations.
- Develops annual operating budget and plans for maintenance and capital improvement projects.
- Manages and controls all maintenance expenses associated with Golf Course Operations, including payroll, supplies, chemicals and fertilizers.
- Advises and collaborates with the Golf Professional Staff on any issues related to golf course maintenance.
- Works closely with the Director of Golf to operate the Golf Course in a fiscally responsible and professional manner.
- Adheres to and enforces all company rules, regulations and policies for staff.
- Must be able to work independently and analytically.
