

MIRAMONT COUNTRY CLUB, BRYAN TEXAS

JOB TITLE: Golf Course Mechanic

REPORTS TO: Equipment Manager, Assistant Golf Course Superintendent, Golf Course Superintendent and Director of Agronomy

JOB SUMMARY: The Golf Course Mechanic repairs and executes preventive maintenance on all equipment associated with the Course Maintenance Department. Duties include but are not limited to the repair of failing equipment, keeping records of parts and labor needed to maintain each piece of equipment, and placing/receiving orders for parts and supplies needed for equipment or service. The Golf Course Mechanic places safety as a top priority and is responsible for maintaining a clean service area.

COMPENSATION: \$20-25 per Hour.

ESSENTIAL JOB FUNCTIONS

Repairs and adjusts various failing/defective ground maintenance equipment including but not limited to diesel-, electric- and gasoline-powered utility vehicles, mowers, trucks, trenchers, tractors, and all other mechanical equipment used by the crews performing the maintenance work.

Keeps record of all repaired equipment.

Inspects and diagnose all equipment on a regular basis for operating deficiencies and as part of preventive maintenance to limit needed repairs on all mechanical equipment.

Spot checks equipment for performance in the field, frequently makes emergency repairs to equipment in the field, and services or supervises servicing of equipment prior to use.

Lubricates and services all course/ground maintenance equipment.

Undertakes body and fender work, fabrication, welding, troubleshooting and repairs to hydraulic and electrical systems.

Maintains blades of reel mowers.

Maintains inventory of common equipment maintenance and repair parts.

Works with the Equipment Manager to prioritize equipment repair and maintenance work.
