

## At The Heart Of Go

Transmissions make all the magic happen

Without them, wheels don't turn and engines just rumble

That's why we provide all the high quality, premium brand bearings and seals that transmission OEs and repair shops needs to make the magic

# The Best Brands At The Best Prices

## OUR TEAM

At Superior Bearing, you'll always find a freindly voice and a proactive team with the capability and flexibility to keep your shelves stocked and production running.

## WHOLESALE PRICING

Our relationships with national and international manufacturers of premium brand bearings and seals are leveraged to get you the best wholesale pricing available.

## ON TIME DELIVERIES

Working with production schedules is a must. We can help you plan your schedule by having blanket orders in place to prevent stock shortages and costly down time.

## FACTORY DIRECT TO YOU

Hot off the presses and into your transmissions means you have the part you need, when you need it and pricing is kept low by shipping direct to your door.
