10th ANNUAL AFA/AFROTC SCHOLARSHIP GOLF TOURNAMENT SPONSORED BY THE ALAMO CHAPTER AIR & SPACE FORCES ASSOCIATION

AFROTC Detachments 840 and 842 develop quality leaders for the Air Force at Texas State University and the University of Texas at San Antonio. They recruit, train, and commission Air Force officers through college campus programs.

The cadets of these detachments are active throughout the community donating their time and talents to a wide variety of worthy causes. Many cadets in both programs work extremely hard to put “themselves” through college, and we are helping ease the financial burden for those most in need through this 9th Annual Scholarship Golf Tournament.

For more information, please contact Glenn Medeiros at (210) 413-2221 or e-mail, golf@alamoafa.com. We greatly appreciate your support and hope to see you on Monday, July 15, 2024 at TPC San Antonio.
