Sobereign Grand Commander

Sovereign Grand Inspector General Melvin J. Bazemore, 33°

As the Spring season brings forth new life, I am inviting each member of our United Supreme Council to assist in bringing about new life and a renaissance in our organization. Ideas pregnant with all types of possibilities exist if we are bold enough to nurture and let them blossom.

Seeds already planted are bringing forth excitement within the Scottish Rite Northern Jurisdiction (PHA). As you will read in this addition of the Bulletin, we are laying the foundation for new and innovative ways to engage our membership from the tech savvy to the reluctant user of new technologies. I invite you to read the website enhancements tutorial that will make even the most uninformed a website genius.

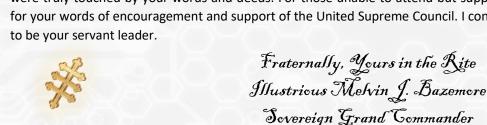

In addition, you will also see that while we continue to look to the future, we remain committed to being who we are as Scottish Rite Masons. That being, dedicated to bringing forth Brotherly Love, Relief and Truth as evidenced by our \$27,000.00

contribution to the Dorian Hurricane Relief effort. Your generous contributions towards this effort is helping the Orient of the Bahamas recover from this devastating natural disaster.

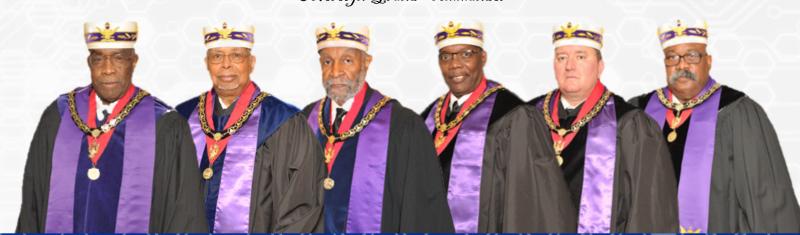

The Mid-year Deputies conference held January 9-10, 2020 in the Motor City of Detroit, Michigan saw refinement to our strategic plan by the Officers and Deputies. These refinements were the result of outputs from the strategic committee chairmen and members. We look forward to announcing a number of new initiatives during the 2020 Annual Session in Cincinnati, Ohio.

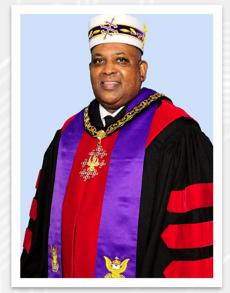

We are excited about the 2020 Annual Session being held in Cincinnati Ohio from May 22-26, 2020. Building upon the success of the 2019 annual session in Philadelphia, the USC will hold it's offsite community outreach effort, which will include both a health symposium and voter awareness program in partnership with civic organizations located in Cincinnati. Your participation is both welcomed and expected. In addition, we have changed the convention format to allow more interaction and participation by all of our attendees. I look forward to seeing you in Cincinnati!

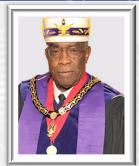

Finally, as a note of personal privilege, I thank each of you who participated in the testimonial in my honor. I and my family were truly touched by your words and deeds. For those unable to attend but supported the effort in spirit, I also thank you for your words of encouragement and support of the United Supreme Council. I consider myself blessed to have been chosen to be your servant leader.

Office of the Lieutenant Grand Commander

As we Secure the Future by Enhancing the Scottish Rite Experience and the Vision of our Sovereign Grand Commander, we must continue "Uniting" (keeping together) and "Growing" (expanding together) as we get involved in the success of our United Supreme Council "Initiatives". If you notice, both words end in "ING" making them "action words".

DO NOT FORGET to make your Annual Donation to the "United Supreme Council Benevolent Foundation". It allows us to continue to be that ROAD MAP for our youth and those who need our assistance are standing at the CROSS ROADS OF LIFE BETWEEN NOWHERE AND OPPORTUNITY. Our Website is now available for your donation.

From time to time you will hear me say "NEVER" be satisfied with the "STATUS QUO" but continuously review, evaluate, and update our programs to make the "best even better".

Office of the Grand Minister of State

THANKS, THANKS to the Family of the Orient of Wisconsin Prince Hall Affiliation, Sovereign Grand Inspectors General, Grand Inspectors General, Sublime Princes and Loyal Ladies of the Golden Circle. Words do not adequately express my Joy. My Undying Love and Thanks for the many years of support that you have given me as your Deputy of the great Orient of Wisconsin. You will always be in my prayers. Members of this Orient that caused me to be lifted to higher heights in this great Fraternity to the Office of Grand Minister of State. I know that the wind beneath my wings were your prayers.

As we prepare for our Annual Session, in My 2020, let us be reminded that Jesus looked at them and said, "With man this is impossible, but with God all things are possible." Mathew 19:24. We know that this Pandemic Coronavirus will pass, but we must put our trust in the one who created this world and all that there is. This phase of our life will soon pass away.

Office of the Secretary General of the Holy Empire

First giving honor to the G.A.O.T.U. for his many blessings. In January of this year the United Supreme Council conducted its Mid-Year Conference for Deputies, their Assistants and essential personnel. It was very successful and productive. We continue to work the strategic plan for this United Supreme Council.

Through the Office of the Secretary General, Phase 1 of our new website is up and running, giving the members the ability to access forms, pay dues, session registration and make Benevolent donations. We have started to use the website and electronic communication to get information out to our membership in a more expeditious manner. Coming soon, in Phase 2 of our website we are in the process of creating our member's portal, giving the members the ability to update their own profiles i.e., change of addresses and adding picture IDs to their profiles and making on line purchases.

In the wake of the Corona Virus Pandemic, the Annual Board of Directors meeting was held on April 14th. We also had our annual status meeting with the management team of Presbys Inspired Life and J.T. Goldstein, LLC Auditors, which was very productive. The Scottish Rite House and Scottish Rite Tower are functioning very well under our building managers Michele Holloman and Debra Clark respectively.

In May, the Orient of Cincinnati, Valley of Ohio, will host the 139th USC Annual Session. There is a lot to do there namely, the Taste of Cincinnati held downtown featuring live music and the city's 50 most talented chefs cooking up a storm. You should also visit the Underground Railroad Freedom Center and enjoy shopping and dining at the local stores and eateries. I am looking forward to seeing you all there.

Office of the Grand Recording Secretary

After our May 2019 United Supreme Council Annual Session. I was asked by Sovereign Grand Commander Bazemore to lead the Strategic Planning Group to assist in the tracking and oversight of the Initiatives laid out in our USC Strategic Plan. We currently have 15 Sub-Committees working to "Enhance the Scottish Rite Experience". They update the Elected Officers quarterly as we all work together and collaborate to make a difference in our Beloved Rite. At the January 2020 Mid-Year Deputies Conference, we had the opportunity to update everyone in attendance on the accomplishments to-date and receive immediate on-site feedback.

Thank You to all the Sub-Committee Chairmen and Teams for your collaboration and hard work. If you have an idea, or would like to work on a committee, please reach out to your Deputy, myself, or even the Sovereign Grand Commander, and lets us know. Keep Making a Difference!

Office of the Cathedral Secretary

Desk of the Grand Prior

When I view Merriam-Webster definitions of "forward" it make me understand that I must be moving in a forward direction. Let's look at the definitions of "forward". 1. Near or belonging to the front part of something. 2. Moving or directed ahead of toward the front. 3. Moving toward the future or toward a more advanced state or condition. Forward means that we are not to stand still, nor dwell on the past (the way we used to do it), but move in a new direction that will help us get to the front. Doing the same old things over and over will always keep us in the same old spot, without any movement in a forward direction. New vision and new direction is always good, and will help us learn new prospective and enable us to embrace those things that will help us to grow. None of us have ice-boxes in our homes to preserve our food. We all have refrigerators to make sure our food is kept fresh. Another case in(and) point is that none of us ride in a horse and buggy, because we all have automobiles to carry us to our needed places. This says that we need to keep up with modern and new advances.

We cannot continue to do the same old things and expect to draw young people into our family. Our Illustrious Sovereign Grand Commander is leading us in new directions that will help our organi zation to spring forward into a new era. This is a must if we are going to continue to be a great organization. We cannot afford to remain in the dark ages but must come into the marvelous light. We must with the help of almighty God move forward and claim the wonderful blessings that God has in store for our United Supreme Council Family. We live in a much different world than that of our mothers and fathers. So In your prayer time please pray that we can move forward and grow.

Desk of the Editor of the Bulletin

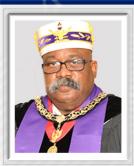

The goal of the prior edition was to present the vision of the Sovereign Grand Commander and prompt action. Do you see yourself fitting into a mission that will make that vision a reality or working on a committee that will help to achieve the overall goal? Help us all to make the Rite better.

This edition is set to build upon that foundation by focusing on the Membership and Enhancements missions. Historical and esoteric articles are being presented to further define the backbone of the Rite. Expertise is being leveraged from Grand Inspectors General Stu Lee, Reginald Stewart, myself and others from across the Holy Empire to supplement the Scottish Rite Educational curriculums. Even further, SGIG Thomas Hughes will have presentations available at the upcoming session on these topics. The focus on education of our membership is clearly a high priority.

The focus on enhancements is also a major goal. The new website design showcases the Rite splendidly. The overview of it in this edition should alleviate any fears associated with this key deliverable. I am quite certain that traffic to the site and utilization of the conveniences it now offers will be utilized more often.

It is my hope that these submissions prompt YOU into action to help achieve the vision that has been presented. As a church Deacon, my mind goes immediately to Habakkuk 2:2—"Write the vision, make it plain, so that he who sees it may run to it." The vision has been written, we are working to make it plain, please run to it as you see fit. Join a mission today to achieve the vision.

As always, you are invited to submitted articles to **Bulletin@Andrewspress.com** by **September 1, 2020** for consideration for the next edition.

2020 Mid-Pear Deputies Conference of the United

On Friday, January 10, 2020, the Officers and Deputies of the Northern Jurisdiction met in Detroit, Michigan to review the state of the Holy Empire and initiatives associated with the vision of the Sovereign Grand Commander at the 2019 Annual Session. At the direction of Sovereign Grand Commander Melvin J. Bazemore and by the hands of SGIG Sidney Broadnax, Lt. Grand Commander, the

Deputies
presented their
activities after
reports were
received by SGIGs
Raynard Hughes,
Cath. Secretary;
Daniel Poole, Rec.
Secretary;

Edward Brooks,

Secretary-General; and Roland Lee, Treasurer-General. A point that was highlighted tied to the ease of financial processing through electronic means. Since allowing electronic transactions via the website of the United Supreme Council (USC), activity has increased by more than 10% in a short period of time. This ability aligns the USC with the cyber-age. The Bulletin Editor reported on the publication and requested feedback in order to improve it for the future. The Convention Director, SGIG Carl Williams, provided an update on the 2020 Convention set for Cincinnati, Ohio. Despite challenges with the main hotel, the team secured multiple arenas for the session. Online registration for the session is **NOW** available via the website.

SGIG Roscoe Davies, Deputy for the Bahamas, thanked the Orients for their support for Hurricane Dorian Relief. SGIG Melvin Frierson (Illinois) arose to

Supreme Council

contribute an additional \$1,000 to the relief effort. Several followed suit. Overcome with emotion at the generosity, SGIG Davies and his assistant, Illustrious Mackey, expressed their heartfelt sentiments for the pledges of support.

These reports into addition to the commentary by SGIGs Edward Darnell; William Stark, GMS; Sidney Broadnax, LGC and Most Worshipful Bro. Kevin Bell (Michigan), confirmed that the Rite is strong. Sovereign Grand Commander Bazemore provided final words of direction and noted that he is looking for members, especially Emeriti, to help meet the aims of the USC. After lifting up prayer and thanks to our Heavenly Father, the conference was closed. With the works were committed to the Lord, the Rite looks to the hills to perform the necessary labors to meet the aims that were expressed.

News from Around the Orients:

Orient of Michigan

Sovereign Grand Inspector General Christopher Buck, 33°, Deputy

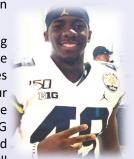

The Michigan Council of Deliberation (MCOD) had the honor of sponsoring a Testimonial for the Honorable Melvin J. Bazemore, 33° Sovereign Grand

Commander. This event was held on January 10-11, 2020 at the Detroit Marriott Renaissance Center. SGIG Christopher Buck and the Testimonial General Chairman SGIG Wayne E.

Phillips, 33° did an excellent job in planning and executing this event.

The MCOD is in the process of soliciting scholarship applications from around the Orient. It is the hope that all Consistories will have multiple applicants for the four MCOD scholarships, the United Supreme Council and the May Art Scholarship. GIG Lee Yancy is the Scholarship Chairman and is hoping for strong participation from all

the consistories. A 2019 scholarship winner KeyShaun Johnson was a walk-on to the University of Michigan football team and travelled with the team in the 2020 Citrus Bowl in Florida.

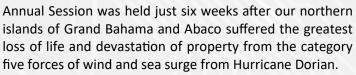

MCOD will hold its 2020 Mid-Year Reunion on July 25, 2020 in Swartz Creek Michigan, 4150 Ames Road. The Golf Tournament will be held at the Genesee Valley Golf Course, 5499 Miller Rd, Swartz Creek Michigan. All Consistories are expected to have at least one team for the tournament.

Project Warm Spirit by Homer Gaines #112, grew this year with more Masonic participation. Project Warm Sprit is a program that has been embraced by District 7 which included two blue lodges and the Commanders of the Rite. North Star Lodge played a major role in soliciting funds from the membership and solicitation form the broader community. North Star led with a contribution of \$1000.00. Additional contributions came from Central Lodge. The project was established about a decade ago when it was identified that a significant number of children did not have warm clothing to wear in extreme cold weather. Coats hats and gloves were bought for distribution in several schools in Grand Rapids, Kalamazoo and Muskegon. As the project has grown significant partners were recruited. This includes Macy's Department Store, local schools and community leaders. Macys gave significant discounts to the retail value of \$18,275 to purchase 215 coats. Many of the coats came with hats and gloves. Again many Masonic units were used to manage the program within their local areas.

Orient of Bahamas

Sovereign Grand Inspector General Roscoe Davies, 33°, Deputy

The 57th Bahamas Council of Deliberation was held in Nassau on October 19, 2019 in the Capital City of Nassau, New Providence. This

Members of the fraternity suffered complete losses of houses, loss of furniture and appliances resulting from twenty-foot sea surges, submerged vehicles from flood waters and general destruction of property.

However, we are most appreciative of the positive response from our Prince Hall Scottish Rite fraters and well-wishers from the various Orients who have demonstrated their concern and practical support. A

special thanks is extended to SGC Melvin J. Bazemore and his team for the support of the United Supreme Council during this period.

During the Annual Sublime Session, Prince's Carlson Henry Shurland and Claudius Bridge Bethel were elected to be nominated to receive the 33rd Degree of Freemasonry as members of the Class of 2021.

Ms. Celine Gloria Szasz, a student at the University of

Orient of Connecticut

was held at the Hartog Activity Center located in Ashlar Village, Wallingford. Many thanks to the Silver Eagle Committee and to Ill. Jim, the Co-Chair for the hard work to make this year's program one of the best since the first program initiated ten years ago by the Commanders of the Rite. The program was designed to let the public and those hardworking individuals, who were not affiliated with the Masonic Order, know that we are aware of their performances which represent some of the noble concepts for which we stand. Many have gone beyond their usual job performance to perform outstanding services as role models to our members and to the youth.

In November we held our 126th Annual Council of Deliberation. Hosted by Hartford Consistory #80, the CCOD was most pleased to welcome Sovereign Grand Inspector General Raynard Hughes, Cathedral Secretary, representing Sovereign Grand Commander Melvin J. In his statement on the State of the Rite, he pointed out that peace and harmony prevail in the Orient with an excellent relationship with the Ancient Craft Masons in the Jurisdiction. He concluded his remarks with the cheering assurance that the Brethren in this Orient will do their utmost to continue Community Outreach; Strengthen Education Programs; Establish Financial

Stability and secure the future by Enhancing the Scottish Rite Experience. Remarks were given by SGIG Hughes who thanks us for the hospitalities offered to him and his wife, while here in Connecticut; he then gave greetings from SGC Bazemore who wished us a successful 126th Annual Council of Deliberation and he spoke on the support given to the Supreme Council to assist the families devastated by the recent hurricane in the Bahamas and the participation in the Walk of Fame Pavers program. Several members attended and represented Milton and Delaware State Grand Assembly at the funeral of Dorothy Cannon at Mt Enon Baptist church in Milford, Delaware. This was a very sad and dark period since we just returned from Christmas celebration dinner a few days prior to her death. Milton continued to support G. Oscar Carrington Consistory #93 for the "Gospel Plus program" in April 2019 which benefits the scholarship program. Although small in number Milton Assembly was grateful to be part of the quarter auction in spring 2019. Orient of Europe

Sovereign Grand Inspector General Enrique John, 33°, Overseer

The Orient is in a rebuilding phase. Overall, with brothers and sisters working together, despite some who are trying to stop the progress, we are focused to build our beloved Orient back

up by learning, and having fun in the process. With new leadership in the Orient, Overseer S.G.I.G. Enrique John, 33° as well as PSGLLR Uta Keys, Order of the Golden Circle, the path forward is at hand and the Orient is focused on making that journey together as one. In recent events like our Annual Christmas gift wrapping fundraiser and annual Bazaar, the Orient still came out and represented with a visit from the Desert of Western Europe Deputy for the Oasis Deputy Karen Allen Mirabeau also to show support. One of our programs that are making a difference is our reclamation committee lead by 2nd Lt. Commander for the Orient GIG Garry Tyler along with his committee. They are doing an awesome job in bringing members back into the fold. Our Consistories and Assemblies are doing well and are focused also on the path forward. In the following paragraphs, you will see just some of the works that are being done and information on the vision into the future.

Karamursel #96 (below) —New Beginnings

November 2019 III. Commander-in-Chief Ganayo of Karamursel #96 Valley of Bahrain, Orient of Europe Overseer of the Orient Enrique John and with the assist and great work of GIG Rodney K Matthews (Far East) and GIG Alexander Hernandez (Europe) elevated 10 Sublime Princess with two transfers from the Southern Jurisdiction. Booker T. Alexander #117—Connecting with the Community

Booker T. Alexander Consistory #117 has been in its new area of Grafenwöhr Germany for only 6 months and has

already hit the ground lead by Ill. Commander-In-Chief Reiss Byrd. The consistory has hosted 2 mini-town halls for the community during October 2019, November 2019. After the meet and greet there was a session for the Master Masons only in the area to ask questions of why the Scottish Rite and who is the United Supreme Council of the Northern Jurisdiction. In this area, this has been the first time the public has been able to come and talk to us and ask questions and get to know the different branches of the Masonic tree. In January Booker T. Alexander consistory #117 was invited to the Non-Profit Organization day with the command Sgt. Major. Some new things coming to this consistory is the Commanders report for the fraters. Also, we are adding webinars to communicate face to face with our fraters all around the globe, and book clubs for those fraters who love to get together and discuss and learn from Scottish Rite literature.. Stay tuned for more as we continue our journey to a new more advanced consistory.

G. M. Solomons #101 & Eureka #113—New Sublime Princes

As we all know the Orient is in a rebuild status and things are looking brighter each day. Gustave M. Solomons #101 lead by III. Commander-In-Chief Christopher Morris, and Ararat Consistory #115 lead by III. Commander-In-Chief Tyrone Cook teamed up with the Overseer of the Orient and staff met two times this year to bring in new Sublime Princes the consistories and Orient of Europe are moving forward into a bright new future.—SP Reiss J. Orient of Minnesota

Sovereign Grand Inspector General John W. Hardeman, III, 33°, Deputy

First, giving honor to the G.A.O.T.U. for the abundance of blessings he has

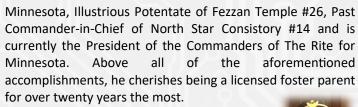

bestowed upon us all. The Orient of Minnesota sends Greetings. On the morning of October 26, 2019, the 74th Annual Council of Deliberation was called to order by the III. Marc D. Young, Commander-In-Chief of North Star Consistory #14, with an opening prayer from SP Bernard Walters. Roll call was taken and the MICIC, Deputy John W. Hardeman III, 33°, was properly escorted to the East and given Grand Honors. MICIC Hardeman received all remaining dignitaries in like manner with appropriate sword and candle bearers. A quorum being established, MICIC Hardeman ordered the reading of the Proclamation for the 74th Annual Council of Deliberation, a prayer given by SP Roger Newell, and the session commenced. The Orient of Minnesota has been hit with a very lengthy list of Sick and Distress but carried on as best as they could. There is a saying that many are familiar with, "Heavy is the head that wears the crown", as we wear our crowns during this session, our heads are heavy and bowed for the loss of our Buffalo Solider, SP Charles J. Snargrass, Sr. as the dark Angel of death came to escort him home this past summer of 2019. He was a pillar of strength to our Masonic PHAMILY and will be missed.

This year we were blessed with a visit from III. Roland K. Lee who gave outstanding and uplifting remarks to the Orient and the Golden Circle, emphasizing that the LL's are a big part of the strategic plan of the United Supreme Council.

During our annual Minnesota Commanders of the Rite dinner, he thanked the Orient for his invitation and delivered well wishes from the SGC, III. Melvin Bazemore. Also during the dinner, we welcomed our newest peers Anderson Thomas 33° and Charles

Gittens, Sr. 33°, and inducted our newest member with the prestigious Gentleman of Distinction award, Ill. John M. Chisley. He has held many titles over the years, such as being a past board member of the Center for Communication and Development (KMOJ Radio Station 89.9FM) and second Vice President from 1998-2001. KMOJ is the only African American community radio station in Minneapolis. He is presently employed with Minnesota Department of Human Services-community based service Minnesota Intensive Therapeutic Home (MITH) Mentally Challenged African American Youth in the foster care system. He is a Past Grand Master of the Most Worshipful Prince Hall Grand Lodge of

siblings from East St. Louis. He has been in Minnesota since 1985. His Grandfather was a Mason as well as other mentors that were Masons growing up. He became a member of the Prince Hall Family in 2015. Seeing the need for our children to have strong black men as well as women like the Eastern Stars and the Golden Circle in their lives, he became a volunteer and coach at the Local Boys and Girls Club where you can find him three days a week serving as a tutor and cofacilitator of the Passport to Manhood Program. Most importantly, he gives the children friendly advice, a pat on the back, a warm hug or anything else that is needed to inspire and uplift them. That alone will be with them for a lifetime. On top of all of that, SP Dorsey is very instrumental in engaging Consistory and Lodge brothers to join in and support our community engagement strategy.

We also have SP Mustafa Shabazz. He played football from the age of 6 and wrestled from the age of 9, earned a Masters Degree from William Penn University, as well as Bachelor degrees for business management and criminal justice from Hamilton College in Iowa. He

served his country honorably as a United States Marine with over 27 letters and 2 certificates of commendation. As a youth, he was lucky to have a coach by the name of Sam Knox that believed in him and his twin brother and wanted to make sure they succeeded with their sports dreams as well as their wellbeing with no excuses or obstacles. He picked them up, made sure they were able to participate in tournaments and coached them, never asking for gas money or fees of any kind. SP Shabazz wanted to pay it forward if you will, and do the same for the upcoming youth, he has been a wrestling coach now for 3 years, and instills a level of community service with his athletes by not only showing them the same love coach Knox showed he and his brother, but also having them participate with the Feed My Starving Children program. Also as a coach, he donated his 2018-2019 season salary back to the youth program. These two fine Sublime Prince's are Gentlemen of Distinction in their own Rite are the future of North Star Consistory #14.

Members of the service organization, The Grady Edge Reading

Program, are making a lasting impact on literacy by visiting students throughout New York State in economically challenged communities and donating books to them. In addition, the volunteers of the organization have donated science supplies and equipment to provide learning tools to bolster students in Science, Technology, Engineering, Art and Mathematics (STEAM) education.

Volunteers have visited schools and daycare centers in Binghamton, Albany and Peekskill, and will meet with students in Albany this winter. SGIG Grady Edge, a Syracuse resident who serves as Illustrious Deputy of the Orient of New York, joins members of the organization to personally meet with students, who are given the opportunity to choose books that they can keep.

"Some students may not have access to reading material at home," said El-Wise Noisette, Mason and officer of the Albany Consistory #90 who helped develop the reading program. Members of the philanthropic organization Annual Council of Deliberations help to carry out the literacy mission. "These are the future leaders of tomorrow and beyond," said SGIG Mr. Edge. "This is my way of opening doors to a bigger world for youngsters who may not have any books at home to read."

The Grady Edge Reading Program, in partnership with the Albany Consistory #90, also sent 300 books to children on the island nation of Jamaica. The group followed up on

their donations in Binghamton by visiting students a year after donating \$3,000 worth of science equipment to Benjamin Franklin Elementary School. Students demonstrated how they had collected bacteria

specimens from around the school – on door handles and lockers, for example –and then studied them using the high-tech microscopes the program had provided. The school was also provided with beakers, triple beam balances and thermometers etc. "They were able to show us the money we spent was well worth it," Noisette said.

The Grady Edge Reading Program, in partnership with Albany #90, donated 2,500 books to children at Frazer Elementary School in Syracuse and three teachers there received \$100 to purchase school supplies. Frazer is one of the poorest elementary schools in central New York, with 83% of students considered economically disadvantaged. SGIG Grady Edge was also recognize at a dinner reception at the Turning Stone Resort in Verona, NY, for the stewardship of the Grady Edge Reading Program.

The Grady Edge Reading Program has also been supported by donations from Albany #90 and New York State United Teachers, a statewide labor union representing 600,000 professionals in education and health care. Philippe Abraham, NYSUT Secretary-Treasurer, oversees the organization's justice outreach.

Mr. Noisette said the Grady Edge Reading Program carries out important work in communities, and serves as "a living legacy" to SGIG Mr. Edge. "He smells his roses while he's alive." Lets never forget the hard work and dedication from – GIG Claude Nelson , GIG Bruce Riggins, GIG Kelly Sheppard , SP Danny Melton , SP Tommy Wheeler and SP Rahtiek Miller.

opened at 3:48 P.M. MICIC Cummings called for prayer by GIG Lycurgus C. Curry, Jr. acting as the Grand Prior. SGIG Doysa Whitaker, 33° then introduced the MICIC Cummings, 33°, who gave his allocution.

During the reading of the Allocution, the MICIC discussed Necrology, and that the Orient lost two members; State of the Nation; National Catastrophes; State of the Rite; The USC Strategic Plan implemented by the Sovereign Grand Commander, which also includes the activation of numerous subcommittees designed to move the Scottish Rite of Freemasonry, Northern Jurisdiction, toward solid sustainability for the future; and the Order of the Golden Circle, just to name a few. MICIC Cummings, 33º, called for the body to prepare for the election of officers for the ensuing year. SGIG Whitaker, 33º moved and GIG Terry D. Underwood, 33º seconded that all officers succeed themselves for the ensuing year except for the offices of Illustrious 2nd Lt Commander and Grand Minister of State. GIG Terry Underwood and GIG Lycurgus Curry were elected as Illustrious 2nd Lt Commander and Grand Minister of State, respectively. MICIC Cummings stated that there was one (1) allotment for the Class of 2021. Allotment # 1 - Illustrious Commander in Chief Andre Waller was nominated, and there were no additional nominations. Illustrious Commander in Chief Waller was elected by one unanimous quorum ballot. Cummings then presented the task of hosting the Conference Deputies/Assistants in January Illustrious Grand Secretary Wisdom mentioned that Nebraska will be hosting the Midwest Regional Conference of Grand Masters and Masons in March 2021. MICIC Cummings acknowledged that fact and then entertained that the Orient host it in January 2022. There were no objections to hosting the conference. The floor was then opened for remarks.

Remarks were made by Illustrious CIC, SP Waller; SGIG Milton Jackson; SGIG Robert J. Meekins and SGIG Doysa Whitaker. MICIC Johnny Cummings thanked everyone for attending the NCOD, to include our "Meet and Greet" on Friday, along with the COTR and NCOD Scholarship Banquet on Saturday. He thanked all subordinate bodies for the work done this year. Illustrious Treasurer General of the Holy Empire SGIG Roland K. Lee, 33º reported what we just received from our Deputy was a very detailed Allucution. In this allocution was everything I had intended to say. He added that the Cathedral Secretary had started a "Walk of Fame" project. For more information please

do not hesitate to contact him directly or your Deputy. Congratulations to Illustrious CIC Andre Waller. To those who plan to attend the USC Session, there is a change to the lineups. Additional sessions have been opened up so that Actives and Emertis will be able to attend together. We as memebers should not go to a session without learning something to bring back to our Orients. Plans are in effect to make sure we survive, as we are getting older and rely on membership to keep moving forward with our work in the communities we live in. "Your USC is moving forward". The best thing you did last night was to give a scholarship out to our young folks. Thank you once again for the hospitality and fellowship. It was moved by S.G.I.G Doysa L. Whitaker, 33º and seconded by G.I.G. Henry D. Atkinson, 33º to receive the remarks of the Illustrious Treasuer General of the Holy Empire, S.G.I.G. Roland K. Lee, 33º. Motion passed.

Joshua David Kelley Consistory #27 Members Participating in the Scottish Rite Informational Gathering

Members of Joshua David Kelley #27 participated in a Scottish Rite Informational Gathering. The purpose of the gathering was to discuss Scottish Rite Freemasonry and its connective impact on Symbolic Freemasonry. Topics discussed included, but were not limited to:

- What is Freemasonry
- What is a Mason
- The highest degree in masonry
- Scottish Rite of Freemasonry
- Scottish Rite Freemasonry coming to America
- The Declaration of Principles
- The Scottish Rite Creed
- Discussing everyone's (Peers and Princes) role as related to Scottish Rite of Freemasonry, and Orient
- Degrees Structure

The three-hour gathering, presented by MWPGM/GIG Edward F. Medlin (Seated) was productive and well attended (51% of members residing in the Orient). There was positive feedback from members in attendance, who stated that it was very informative. The next phase is ensuring that the information presented is carried over to actionable deliverables and results.

Thanks to all that participated to make this event a success. Job well done Illustrious Medlin.

Our History Should not be a Mystery—Part XI Do You Know How Your Consistory's Name Originated?

Grand Inspector General Reginald B. Stewart, 33°

In my travels in the Scottish Rite world I continue to be amazed at the positive feedback that has been shared. I have even received offers of assistance in my endeavors. That truly tells me these

articles have some impact. I am much obliged to the previous Editor of the *Bulletin*, SGIG Edward M. Brooks II, 33° and I look forward to working with our new Editor GIG Daryl L. Andrews 33°. The gatekeepers of the Cathedral—Renee Isaac and Debbie Miles—must also be acknowledged and thanked. Partly in recognition of the submission of this series of articles, I was appointed as the Grand Historian of our United Supreme Council. I thank Sovereign Grand Commander Melvin J. Bazemore 33° for his beneficence.

BOSTON CONSISTORY NO. 9

Valley of Boston—Orient of Massachusetts

Established prior to 1883; formally chartered 1890 (Defunct)

This short-lived Consistory was chartered during the tenure of SGIG David C. Gray 33° who was then the Deputy for the Orients of Massachusetts and New Hampshire. Without authority, GIG George H. Bond 33° organized this Consistory and promised the candidates that he would confer upon them all the degrees, including the 33rd, for the then astronomical sum of \$34. SP Charles F.A. Francis 32° (26th Grand Master, MWPHGL of Massachusetts) wrote a series of letters to Deputy Gray informing him about the illegal doings of III. Bond and urged him to put a stop to it. As all things do, this Consistory eventually went defunct only for Scottish Rite Masonry to rise again in the Valley of Boston when King Solomon Consistory No. 6 was chartered in August 1889. It was the first of three Consistories in the Valley of Boston. A Consistory had been previously chartered in Boston by Illustrious Peter W. Ray 33° of the Supreme Council of the State of New York (a.k.a. DeBulow Supreme Council) as early as 1884. It is not known if that Consistory existed alongside or merged into Boston Consistory No. 9.

Thanks to SGIG Henry L. Owens 33°, Deputy for the Orient of Massachusetts and GIG Yves Maignan 33°, Springfield Consistory No. 89 for their assistance.

WESTERN STAR CONSISTORY No. 18 Valley of Wichita—Orient of Kansas

Organized December 12, 1908 (Fields); Chartered May 1914 (USC NJ)

This Consistory was originally formed by Milton F. Fields with assistance by Deputy Inspector General of Kansas SGIG Allen P. Smith 33° and members of Kaw Valley Consistory No. 16 in the Valley of Topeka. It began with 27 members and SP J.W. Thompson 32° serving as its first Commander-in-Chief. Almost 1 year passed before the members received their patents, but once they did they were off and running.

The Consistory enjoyed consistent growth and annual Reunions for several years until about 1912 when the Fraters became disenchanted with the Fields faction. In the process of beginning a West Coast swing, Sovereign Grand Commander James F. Rickards 33°, assisted by III. Smith, organized them into a legitimate body of Scottish Rite Masons under the banner of the Northern Jurisdiction and administered the Oath of Fealty to them all. Rickards was feted with a banquet the very next year to commemorate his visit and to express gratitude for aligning the Consistory with a competent jurisdiction.

There was a Western Star Consistory No. 4 existing in St. Paul, Minnesota in the late 1800s. Its affiliation is unknown, but more than likely it was aligned with the Milton Fields organization. The infamous John G. Jones chartered a Western Star Consistory in Los Angeles in 1897.

MALTA CONSISTORY No. 34

Valley of Muncie—Orient of Indiana

Established prior to 1900; Chartered May 1912

Then Deputy of the Orient SGIG Sumner A. Furniss 33° greatly assisted in reorganizing this Consistory under the competent jurisdiction of The United Supreme Council of the Ancient and Accepted Scottish Rite of Freemasonry Thirty Third Degree of the Northern Masonic Jurisdiction of the United States of America (our name and style at the time). This Consistory, originally established by the Milton F. Fields faction, began strong, but was unable to maintain that momentum. Regrettably its charter was arrested in 1919. Through diligent effort the charter was returned resulting in the Consistory being reactivated in 1937.

At least two esteemed members have been honored as namesakes of a Class of Grand Inspectors General—Cornelius R. Richardson Class of 1966 and the Williams-Hinkle Class of 1997. S.G.I.G. Joseph C. Williams 33°, Malta Consistory No. 34 served the USC NJ as Illustrious Grand Marshal and as Deputy for the Orient of Indiana. This latter was also notable for being at least the fifth Class to be named in honor of two members of the same Orient. The others are the Branson-Paris Class of 1945 (NY); the Weaver-Chavis Class of 1978 (IN); the Russell-Davis Class of 2003 (WA); and the Bolden-Fitch Class of 2008 (CT).

Much like the country with which it shares its name, Malta was a strategic chartering in the Orient of Indiana. Malta's (the country) location in the middle of the Mediterranean Sea historically has provided it an immense advantageous positioning in its geographic area. Malta (the Consistory) was a strategic chartering because that act helped to weaken the stronghold bogus masonry had on the state of Indiana as propagated by John G. Jones and Milton F. Fields.

Orient of Ohio

Sovereign Grand Inspector General Carl A. Williams, 33°, Deputy

The Orient of Ohio has been moving with purpose under the leadership of the Most Illustrious Commander-in-Chief and Deputy for the Orient, S.G.I.G. Carl A. Williams

33°. In concert with the theme and mission of the Sovereign Grand Commander, the Deputy unveiled his theme and mission—"Expect Success: Preparing for the Future of Scottish Rite Masonry Through Visionary Leadership and Strategic Perspective."

Natural disasters wreaked havoc on the various Orients of the United Supreme Council. The Valley of Dayton experienced an EF3 tornado in May 2019. The damage in the immediate and surrounding areas was tremendous. Members of Miami Consistory No. 26 along with the Orient of Ohio donated a total of \$1,000 to the Tornado Disaster Relief Fund for the Trotwood/Dayton, Ohio area. The presentation was made to G.I.G. Fr. Benjamin Speare-Hardy 33°, on behalf St. Margaret's Episcopal Church, where he serves as Rector.

The Orient of the Bahamas was battered by Hurricane Dorian in September 2019. The category 5 storm largely spared Nassau, but impacted Freeport and decimated the Abaco Islands. Heeding the call of Sovereign Grand Commander Melvin J. Bazemore 33°, the Orient of Ohio contributed robustly to the Hurricane Dorian Relief Fund in the amount of \$4,200.

In a first for the Orient, and under the guidance of the Deputy Williams and the leadership of G.I.G. Eugene W. Greenfield 33°, the Orient of Ohio held its Inaugural Statewide Reunion. Degree teams were assembled from each of the five (5) Consistories to perform the 4th, 14th, and 18th degrees. Degree team members performed the

second section (Light of Patriotism) of the 20th degree—Master ad Vitam. Following that performance, members of the Northern Masonic Jurisdiction (NMJ) from the Valley of Cincinnati performed their version of the 20th degree. An all-star cast composed of members from all five (5) Consistories performed the 32nd degree in full ceremonial form. Afterward a lecture entitled "Scottish Rite 101" was delivered by Grand Historian G.I.G. Reginald B. Stewart 33°. The lecture and all degree work was performed in the Cincinnati Masonic Center. Special thanks to Illustrious Douglas N. Kaylor 33°, the Deputy for Ohio, NMJ for allowing us use of this facility to stage our history-making event.

While we were in session at our 110th Council of Deliberation, G.I.G. Traylon Smith 33° was excused by the Deputy to pursue achieving a lifetime goal. Illustrious Smith won gold (Kumite); silver (Kata); and bronze (weapons Kata) medals at the WKC (World Karate and Kickboxing) World Championships in Manchester, England.

In late December the Orient of Ohio lost one of its most treasured members—S.G.I.G. Roy S. Richardson 33°, Bezaleel Consistory No. 15—Tuskegee Airman and Congressional Medal of Honor awardee. Illustrious Richardson served in the U.S. Army and was a true practitioner of the Craft and will be sorely missed.

The Orient of Ohio supported the Sovereign Grand Commander's testimonial weekend by placing 70 pages in

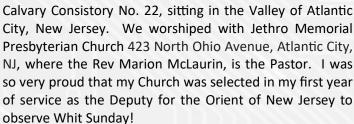

the Memory Book. Many members of the Orient were present as well. Deputy Williams presented the Sovereign Grand Commander love tokens on behalf of him and his wife Cheryl; S.G.I.G. Dr. Chester C. Pryor II 33°; S.G.I.G. Robert L. Jones 33°; and G.I.G. Robert M. Estelle 33°.

WHO IS "ADONIRAM"?

What is his Significance to the A.A.S.R.?

Grand Inspector General Stu A. Lee, 33°

The Lodge of Perfection within the A.A.S.R. is comprised of degrees 4 to 14 and addresses the period after the death of GMHA to the discovery of the lost word. Throughout its degrees, there is a character that is mentioned quite often. His name is Adoniram also referred to as "Adoniram Ben Abada." We'll begin with who Adoniram was and then discuss his significance within the AASR, more specifically, the Lodge of Perfection. So, who is Adoniram?

According to Albert Pike's Masonic Formulas and Rituals, Adoniram is said to be the son of Abada, spelled "Abda" in some documents, of the tribe of Dan (1783, Franken), and was the inspector of the workmen on Mount Lebanon where the timbers supplied to build King Solomon's Temple were prepared. Additionally, it's stated that he was GMHA's father-in-law. (2010, De Hoyos)

In the 4th degree, Secret Master, Adoniram is styled as Warden and acts as inspector. (1783, Francken) He is also said to be the first Secret Master. (2010, DeHoyos)

In the 5th degree, Perfect Master, Adoniram is said to have been appointed as Chief Architect of the Temple by King Solomon after GMHA's death and tasked with planning and carrying out the funeral service for GMHA. He is styled "Venerable" and one of his duties is "to preside over the work; to brighten the chain of friendship; expound the ancient tradition of the craft, dispense the charities of the lodge; maintain its honor, and labor to advance the interests of Freemasonry." (1962, Pike) He constructed a mausoleum to commemorate the memory of GMHA. This edifice was surmounted by a triangular Obelisk composed of black Egyptian marble, upon which was the great urn which GMHA's heart was deposited and pierced with a sword. He completed this great work in 9 days. (1962, Pike)

In the 8th degree, Intendant of the Building, he is "President of the Intendants" and Superintendent of the Work, "whose duty is to encourage the timid, to repress the forward and to reward the worthy." (1988, Hutchens) It is stated in this degree that GMHA, prior to his death, communicated the knowledge that he had learned from the sacred books of the Magi of Persia and the Egyptian Priests to five workers in which he held in high esteem. The most proficient and wisest of them was Adoniram. It is believed that GMHA favored Adoniram so much that he often entrusted him to superintend the entire work. (1962, Pike)

In the 10th Degree, Elu of Fifteen, according to the Liturgy of the A.A.S.R., 4 to 14 Degree by Albert Pike, Adoniram is mentioned as being told by King Solomon to prepare an urn for balloting in which the

names of six workmen were drawn. These individuals were to unite with the Elu of Nine to make up the Elu of Fifteen. The Elu of Fifteen was tasked by King Solomon to travel to the country of Gath, search for and take into custody GMHA's two remaining assassins and bring them back to King Solomon for justice.

In the 11th Degree, Elu of Twelve, Adoniram is styled as the Junior Warden. (1962, Pike)

In the 12th Degree, Master Architect, Adoniram is said to be the first person conferred this degree. After being appointed Chief Architect of the Temple, successor to GMHA, Chief of the Five Intendants, and having demonstrated superb proficiency in his skills and the sciences of an architect, the degree was conferred upon him as an investiture of that office. (1962, Pike) The importance of this honor should not be underestimated or minimized because the Master Architect degree teaches that "the ablest, wisest and best of every nation should be its leaders." (1988, Hutchens) It is reasonable to believe that King Solomon bestowed this honor upon Adoniram because he was the most skilled of the workman and exhibited those truly commendable Masonic virtues and characteristics just as GMHA did.

In the 13th Degree, Royal Arch of Solomon, Adoniram is the Junior Warden and styled "Inspector" and is one of the three workmen credited with discovering that which was lost, "The True and Ineffable Name of God." (1962, Pike)

Furthermore, in the 14th Degree, Perfect Elu, he is described as "Adoniram, the son of Abada, who was over the workmen at the building of the temple...the symbol to us of the harmony of the universe, result of the Wisdom and Power of God; of that Harmony which is the fruit of Reason and Faith, acting in their proper spheres; of the moral Harmony that is the result of the equilibrium of Reason and the Passions, the moral sense and the sensual appetites; and of that which flows from the coexistence of Constitutional Liberty and salutary Power directed by Wisdom." (1962, Pike)

Finally, according to the Scottish Rite Ritual, Monitor and Guide, both King Solomon and King Hiram of Tyre held

Adoniram in such high regard for his works, deeds and character, that they together communicated the "Lost Word" to him.

As you can see, Adoniram also known as "Adoniram Ben Abada" played a great role in the building of the temple after the death of our GMHA and is very significant to the A.A.S.R. degrees within the Lodge of Perfection. He too, as GMHA, exhibited those Masonic qualities and characteristics that we all strive to emulate. It's my opinion that as Scottish Rite Masons, we all represent Adoniram, being that we too are continuing with the building of our own Temple.
