## Message from the President .....

*I hope you enjoy this 1st edition of our Club's quarterly newsletter. I would like to thank our members, past and present, who have contributed countless hours of their time to accomplish the projects we undertake for the benefit of the Brick community. We welcome new members and encourage you to get involved with our organization.*

*Janice Mishkin, President*

The NJ Federation of Women's Clubs (NJSFWC) is the largest volunteer women's service organization in the State and a member of the General Federation of Women's Clubs (GFWC—an international organization). The Women's Club of Brick is a member of both.

The Women's Club of Ukraine has been busy teaching first aid and doing whatever they can to help. The GFWC's affiliate organization UNICEF USA is at the forefront of the humanitarian response for Ukraine and is providing essential services to vulnerable children and families affected by this invasion. ## Brick 2022 News

• For February "Heart Month" fifty(50) goodie bags were delivered to the nurses in the **Ocean University Medical Center** heart wing to show our appreciation for the work they do. These bags included homemade cookies, candy and paper flower bouquets.

• During March, in cooperation with the **Brick Senior Center**, thirty-five (35) Silver Fox Goodie Bags were filled and delivered to house bound seniors. These bags contained Afghans, toiletries, puzzles, adult coloring books, pencils, snacks.

• Six (6) handmade quilts made by a member were donated to **Project Linus** (a non profit organization that provides handmade blankets to children who are seriously ill or traumatized).

• In April Thirty-five (35) Children's Easter Baskets will be donated and delivered to **Dottie's House** - a local housing program that supports women and children who have survived domestic violence.

## Other Brick Accomplishments

• **Marketing**—We have recently created our own Website which can be viewed at [womensclubofbrick.org](http://womensclubofbrick.org) and are now on the NJSFWC website. In addition, we have developed a quarterly Newsletter. You can subscribe by registering on our website. Finally, we are now posting information on the Brick Community Facebook group.

• **Planning**—Several members met with Mayor Ducey and Superintendent Farrell to discuss the needs of our community. We are now in the process of planning new projects for the coming months.
