1. Donated items will be inventoried and put out within 7 business days if sellable. If deemed unsellable, items will either be donated elsewhere (i.e. Value Village, Women's Shelter, Salvation Army, other). If items are not suitable for donation at all, they will be disposed of (please don't bring in unsellable items to be thrown away).
2. Karly's Closet reserves the right to refuse donated items based on a variety of factors including but not limited to: condition, quality, seasonal trends, brand, etc.
3. By signing this form you agree that the items brought in to be donated are in good condition, free from defects and stains, and are suitable for sale. Clothing must come laundered and ready to sell. If the items are not cleaned to our standards (i.e. no spots, stains, odour), we will not accept them.
4. We do accept hangers as part of donations.
5. You certify that the items brought in are owned by you and there are no judgements, liens, or other encumbrances against the item(s).
6. Once items are donated, they cannot be retrieved. Once donated they become wholly the property of Karly's Closet.
7. Karly's Closet does not provide proof of donation or "tax receipts" for item donation.
