What a beautiful day for fishing, the old Hawaiian way,
and the Hukilau nets were swishing, down at old Laie Bay

VERSE 1:

Oh, we're going to a hukilau,
A huki-huki-huki-huki-huki hukilau,
Everybody loves a hukilau,
Where the laulau is the kaukau at the hukilau,
We throw our nets out into the sea,
And all the 'ama 'ama come a-swimmin' to me,
Oh, we're going to a hukilau, A huki-huki-huki-huki-hukilau.

VERSE 2:

Oh, we're going to a hukilau,
A huki-huki-huki-huki-huki hukilau,
There is romance 'neath the Hawaiian skies,
Where the lovely hula, hula maidens roll their eyes
Where the silvery moon is shining above.
And Kanes and Wahines sing a song about love
Paradise now at a hukilau, A huki-huki-huki-huki-hukilau.

Keep On the Sunny Side

Keep on the Sunny Side of Life was first copyrighted in 1899, with words by Ada Blenkhorn and tune by J Howard Entwisle

Ada Blenkhorn was inspired to write the words by a wheelchair-bound cousin who said she was happier when wheeled to the sunny side of the street

It was performed by The Whites in "O Brother, Where Art Thou"

There's a dark and a troubled side of life
But there's a bright and a sunny side too
Though you meet with the darkness and strife
The sunny side you also may view

CHORUS

Keep on the sunny side, always on the sunny side
Keep on the sunny side of life
It will help us every day, it will brighten all the way
If we'll keep on the sunny side of life

Though the storm and its furies rage today
Crushing hope that we cherish so dear
The cloud and storm will in time pass away
And the sun again will shine bright and clear

Repeat CHORUS

Let us greet with a song of hope each day
Though the moment be cloudy or fair
And let us trust in our Ukuleles
and play them as often as we dare!

dream a little dream of me

by Fabian Andre, Wilbur Schwandt & Gus Kahn

This song was written in 1931 and became a popular standard in depression-era America. Fabian Andre and Wilbur Schwandt composed the music and Gus Kahn wrote the lyrics. When she was 15, Michelle Phillips of The Mamas & The Papas met Fabian Andre, who co-wrote the music for the song. Several years later, when Phillips heard that Andre died in a fall in an elevator shaft, she remembered meeting him. They decided to record it with "Mama" Cass Elliot on lead vocals. It became her signature song, and she performed it until her death in 1974. Gus Kahn was a very successful lyricist in the '20s and '30s, writing hits like "Makin' Whoopie," "Ain't We Got Fun" and "It Had To Be You." He said "that young men and women don't know how to say 'I Love You' to each other, so we say it for them in 32 bars."

Here's a "Walk Down"

SUNNY AFTERNOON

Ukulele Club of Santa Cruz
The British Invasion
January 2006

The taxman's taken all my dough
And left me in my stately home
Lazin' on a sunny afternoon
And I can't sail my yacht
He's taken everything I've got
All I've got's this sunny afternoon

Save me, save me, save me from this squeeze
I got a big fat mama tryin' to break me
And I love to live so pleasantly
Live this life of luxury
Lazin' on a sunny afternoon
In the summertime... In the summertime...
In the summertime... In the summertime...

My girlfriend's run off with my car
And gone back to her ma and pa
Tellin' tales of drunkenness and cruelty
Now I'm sittin' here
Sippin' at my ice cold beer
All I've got's this sunny afternoon

Help me, help me, help me sail away
Or give me two good reasons why I oughta stay
'Cause I love to live so pleasantly
Live this life of luxury
Lazin' on a sunny afternoon
In the summertime... In the summertime...
In the summertime... In the summertime... (fade out lazily)

Here Comes the Sun

George Harrison

"Here Comes the Sun was written at the time when Apple was getting like school, where we had to go and be businessmen: 'Sign this' and 'sign that'. Anyway, one day I decided I was going to sag off Apple and I went over to Eric Clapton's house. The relief of not having to go see all those dopey accountants was wonderful, and I walked around the garden with one of Eric's acoustic guitars and wrote 'Here Comes the Sun'."
