

MIGHTY BRIGHT®

THE HIGHEST QUALITY

At Mighty Bright we integrate high quality materials and intelligent design with the latest in LED and optical technologies. An established leader in the LED market, our product lines are found across multiple retail channels worldwide. Fresh product concepts, superior product quality, and attentive customer service generate consumer demand, inspire multiple purchases, and create loyalty among our customers.

SATISFACTION GUARANTEE

Mighty Bright resellers tap into our loyal, and expanding, customer base. Since our New York team is focused on making a difference in our customers' lives through light, each product is backed by the 100% Mighty Bright Guarantee and comes wrapped in the service-oriented culture that permeates Mighty Bright. We follow up with customers personally from our New York headquarters to ensure they are as impressed by their buying experience as they are by our products.

MAGNIFIERS

RECHARGEABLE LED FLOOR LIGHT AND MAGNIFIER

RECHARGEABLE

LUMENS	WEIGHT
350	12.35 LBS

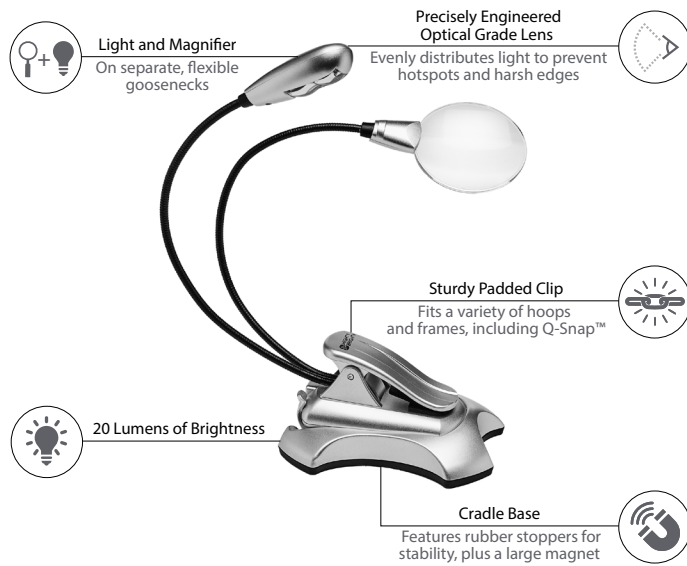

- Ultra-sturdy and flexible, with a heavy weighted base providing maximum stability and an infinitely adjustable goose-neck designed to work around your crafting style
- Rechargeable and portable, with 2 hours of battery life on high and 7 hours on low. Charges fully in 4 hours. Includes AC charging adapter with 6' cord
- 5" diameter optical grade magnifier provides 2X magnification and includes a 1", 5X bifocal inset
- **Brighter** than the competition, 350 lumens of bright, accurate (85+ CRI) illumination show brilliant colors and clarity
- Transition seamlessly between bright white and warm white light (3000K - 5000K)
- Touch activated and dimmable with three brightness levels (350 - 260 - 130 lumens)
- 8" diameter base, with a 32" solid post and 13.5" adjustable goose-neck. The magnifier head is 7.5" in diameter with 59 individual LEDs.

IDEAL FOR:

- Crafting and fine detail projects
- Individuals with visual impairment
- Daily use anywhere more light is needed
