## WITHit ABOUT US

WITHit designs and curates products that bring out the best in the devices people love. Our portable book lights provide bright LED lighting for optimal illumination of your book or e-reader, and some models offer full range dimming to refine the experience for personal preference. Our collection features a wide variety of colors and styles for people of all ages.

## MARK MY TIME 3D BOOKMARKS

### DIGITAL COUNTDOWN

Digital countdown timer and alarm that alerts readers when they have completed their required reading time. Digital timer also tracks cumulative time, which stores up to 100 hours of reading time over multiple sessions.

### FEATURES

60 second countdown and count up feature displays the seconds at the one-minute mark to aid in fluency checks.

### ENGAGING

Fun colors and electronic functions encourage kids to make reading a daily habit.

### INTEGRATED

Integrated Clip allows the Bookmark to attach to any Book.

### ALARM

Alarm lets you know when you are finished and even turns off the light.
