- ◆ Food handling safety guidelines will be followed.
- ◆ If you would like more information, please contact Stephen (306.621.2827) or Vicky (306.621.2530)

What is the Community Food Pantry??

- ◆ **The Church is starting up a Community Food Pantry. It is intended to serve people in the community who are in need of grocery items.**
- ◆ We are looking mainly for donations of non-perishable food items. There will be a small fridge for dairy items in the pantry area. A basic pantry supply list is posted in the HUB, and it will give you an idea of the types of food items needed to fill the pantry. This list will be updated weekly so people know what items need to be replenished.
- ◆ You are welcome to donate items that are not on the current list. The list is just a start!
- ◆ Food Donations can be dropped off at the church during office hours and on Sunday mornings. Please leave food donations in designated totes located in the HUB.
- ◆ The pantry will be open when enough items are collected to stock it. People will be able to come to the church during office hours to get items they need. If YOU know of individuals in need, please tell them about the Community Food Pantry or you may deliver pantry items to them.
- ◆ We are unable to accept homemade food items.
- ◆ Food handling safety guidelines will be followed.
- ◆ If you have any questions or would like more information, please contact Stephen or Vicky Breitkreuz (306.621.2827 or 306.621.2530).
