

## DRESS CODE

Please note: if your child has dance classes back-to-back, they will not be required to change between classes. For example, if your child has ballet class to start and jazz class to follow, they will not have to change from pink bodysuit/pink tights to black bodysuit/beige tights. They will remain in the same outfit for the duration of their classes that day.

Hair to always be pulled back off face in ballet bun.

Please keep in mind that acro is done bare foot (convertible pink/tan tights as required). For example, if your child has an acro/ballet/jazz combo class, they should wear convertible tights.

**Uniform purchase available at the Port Perry Dance Academy's in-studio boutique! Contact us today!**
