Horse Ownership Basics

ID : 47216

[← back to classes page](#)

Did you know that many first time horse owners don't own their first horse until later in life? Many horse owners wait to purchase their first horse until they are in their fifties. Don't wait any longer! You will walk away from this class knowing what it takes to get started with purchasing a horse. This class starts where YOU are and introduces you to the temperament of horses, their emotions and basic necessities. Basic healthcare, common illnesses, conditions, and boarding among other concerns will be covered. Come and find out if you have what it takes to own your own horse. Please check out the instructor biography. Textbook purchase required directly from instructor.
