If you want to compete, we can make that happen for you! If your current dance school doesn't have a competition team, but you want to compete, you are welcome to join us for this unique experience and new opportunity.

All ages & abilities. We'll build our teams based on your experience and skill level
Placement classes/auditions happen each JUNE. Ages 7 and up! Mini, Junior, Teen, Senior.

It's FREE to try out!

Our OPEN placement try-outs for each new season are scheduled in JUNE each year.

Please email us at info@evolvedance.ca so we can schedule you for the appropriate time slot.

Minimum Commitment of two hours per week with EVOLVE. One skills class, one group choreography class. If you train outside of that, it's a huge asset. We recommend that out EVOLVE dancers take a minimum of three technique classes a week, one of which should be ballet and/or modern.
