Subject: **Group Wreath Sales 2022: Troop 929**

Good afternoon Troop 929,

Attached, please find this year's wreath pricing brochure.

A few important notes:

1. Prices did go up, sorry
2. Some wreaths will no longer have the gold balls
3. The wreath pickup date is the Saturday after Thanksgiving, 11/26/22

I totally understand if any of these changes may force you to find an alternate vendor for your wreaths this year, but I am here to help keep the process as simple as possible.

We will continue to offer on-online order forms for your individual scouts this year.

Here is a sample of what the online order form will look like (with default pricing)

[Online Order Form](#)

[Pricing Brochure 2022](#)

Here is the [Group Information Sheet](#), please complete with your current leadership.

Please let me know if you have any questions, if you are (or are not) interested in selling wreaths this year and how many Sales Sheets you may need.

Thank you,

Neil Doruff
