PLEASE HELP! Up date of our SURNAME FILE is needed. Many addresses are no longer correct. Therefore, need year-1991-your name and address in the lower right corner of a 3 x 5 card. ONE SURNAME to each card. Use top left of card for name of person you are researching. Date for birth, death, marriage, places in county ancestor lived can fill the middle space on the card. Visitors to our society library, located 203 S. Fayette, use these cards to see if anyone else is looking for the same ancestors they are. If you do not have cards - use a sheet of paper to include the same information. We also need this information to update our next MEMBERSHIP DIRECTORY.

LIFE members: Many of you do not have a current membership listing who you are researching or your current address in our financial secretary notebook file.
