Guard, bless all people who call our  
State "Home!"

Give Divine Protection -- Shield in

To leaders of our State and Nation dear;  
Preserve our Motto's expressed opinion  
As "State Sovereignty -- National Union!"

## JACKSONVILLE AREA G & H SOCIETY HEARS ABOUT PROBATE, WILLS

The Jacksonville Area Genealogical and Historical Society will meet at 7:30 p.m. Thursday, Sept. 25, at the Northminster Presbyterian Church on West Court Street.

The topic for discussion will be gaining a better understanding of the probate of estate administrations, wills and inheritance laws in the circuit court systems.

Speaker will be Theodore C. Rammelkamp Jr. of the Rammelkamp, Bradney, Hall, Dahman and Kuster law firm.

New members who have joined the society recently were Mrs. Cynthia McDannold, 234 S. Green St., Meredosia, 62665 (Cole, Nunn); Mrs. Ester E. Sellers, 5750 E. Bryce Ave., Orange, Calif. 92667 (Boehne, Barrows, Craig, Guthrie, Beard); Samuel G. Silvey, 736 W. Sunset, Springfield, Mo. 65807 (Silvey, Gorton, Burbridge, Bassnet, McDougall, Walkey, Johnson, Hooten).

Mr. and Mrs. Charles V. Tavender, 725 E. State St., Jacksonville (Kilhorn, Wisenfelter, Pauley); and Mrs. Elizabeth A. Williams, 734 Mayer St., Greenville, Miss. 38701 (Thomas).

Several queries were received during the summer. Viola Bradford, 4527 E. Ninth St., Tulsa, Okla. 74112, is searching records of Ancil Cox and Nathaniel Cox in Morgan County in the 1830s.

Rosetta Broam, P.O. Box 852, Sand Springs, Okla. 74063, would like any data on her grandmother, Evalina Tucker, born in 1877 in Sandy Ridge or Murphyville.

Mrs. Enid M. Emerson, Old Farm Estates, Waynesville, Mo. 65583, would like to know where Hannah Smith and Barton P. Ticknor were married in 1836 in Illinois. They were living in Morgan County in 1844.

Mrs. Margery Gaskill, 2280 S.W. Winchester Place, Portland Ore. 97225, is researching material on the E. Hoops Carlile family of Morgan County.

The Rev. Jackson E. Gilliam, Shoreline Route, Polson, Mont. 59860, is searching for information on Jasper N. Gilliam, born 1831 in Illinois. The 1850 census for Illinois lists James Gilliam and T.M. Gilliam in Morgan County.

Mrs. Julia Laughlin, R.R. 1, Box 466, Wheatland, Mo. 65779, is looking for parents and siblings of Lucy Walker Horsey, married in Morgan County on Jan. 15, 1867.

Mrs. Rita McGinnis, 1159 Sarah Lane, Casselberry, Fla. 32707, wants data on William D. Hutchinson/Hutchison, born Feb. 12, 1860 in Waverly. His parents were James and Sarah Hayes Hutchinson.

Wilma A. Thompson, P.O. Box 1060, Los Gatos, Calif. 95031, needs information on Henry Sweet, born in 1817 in Illinois. He married Martha Brown in 1845 and lived in the Jacksonville area.

Betty Williams, 3205 Avenue M, Lubbock, Texas 79405-1756, is researching the Follis family of Morgan County.

Visitors are welcome to attend the meetings of the society.

## BOOKS, ALBUM DONATED TO THE MEREDOSIA AREA H & G SOCIETY

**MEREDOSIA** — Fifteen people interested in family research attended the recent genealogy workshop held at the Meredosia City Hall. Several brought research books to share with the group.

Donna Tegeder, genealogy chairman of the Meredosia Area Historical and Genealogical Society, announced that the society recently received donations of books and a photograph album. Fourteen publications were donated by Eileen Gochanour of Springfield including 1859, 1860 and 1870 Illinois Census of Morgan County; 1836, 1839, 1840 (vol. I and II), 1841 and 1842 Morgan County Tax Lists; 1831-1839 Land Patents of Morgan County; Union Grove Baptist Church; 1827-1839 Morgan County Marriages (vol. I), Jacksonville Trinity Church; and Morgan County Public Domain Land Tract Sales.

The society also has received a copy of "Wabash" donated by the author, Donald J. Heimburger. It is a 320-page hardbound book with 550 photos including Wabash history and complete photo coverage of both steam and diesel locomotives, etc. It also includes, on page 14, information concerning the Rogers steam engine and the commemorative monument of the Rogers located in the Meredosia City Park.

Bill Benson of Dallas, Texas, donated the photo album which includes photos of the dam at Lake Mauvaisterre when it broke in October 1926, the KP 100 Club, the Meredosia Bridge and other photos of the flood of 1926-27.

These and other books donated to or purchased by the society will presently be located in the reference section of the Meredosia City Library. Family research may be done during regular library hours, but none of the reference books may be checked out of the library.

Researchers were reminded that old Morgan County, formed in 1823, included Cass and Scott counties. Cass separated from Morgan in 1837 and Scott in 1839. The three-mile strip on the north side of Morgan was added to Cass County in 1845. This affects location of records such as births, marriages, deaths and obituaries in newspapers when doing research.

Journal Courier, Jacksonville, Ill., Sunday, Sept. 21, 1986.

We are very proud of the fact that Morgan is the only County in the State of Illinois with three very active genealogical societies within its boundaries.

If you can't have the best of everything, make the best of everything you have.  
Difficulties strengthen the mind, as labor does the body. Keep at both of them!

Don't pass this bargain by! The new HISTORY OF WAVERLY, ILLINOIS 1836-1986 is published! It is a beautiful book available for only \$30.00 plus \$3.00 mailing charge.

The excellent pictures and heavy paper of 544 pages could never be purchased at that price anywhere else.

The arrangement, editing, typesetting, photograph reproduction and layout was accomplished by Shirley Ann (Stewart) Aleguas, and printed by John William "Bill" Stewart, of Orange, California.

Much credit goes to Ruth Ann Stewart and Myra N. Martin, among others, for the material they had so meticulously accumulated and generously shared, and to Shirley Ann Aleguas for her time, patience, talent and equipment used to assemble this unique history of one of our oldest towns in Morgan County.

"In 1822, a lone man rode his horse through the area now known as Waverly. The tall prairie grass waved to and fro in the gentle breeze. Wild turkeys and prairie chickens flew up ahead of him. He was amazed to see wild parakeets, cranes and mockingbirds, and fields of wild flowers. He passed some timbers, with clear and sparkling creeks running through them. He stopped to build the first log cabin in the area that was later named Waverly." For years, the place was called "Shurtleff's Point."

The 52 pages of index, with 3 columns each, will enable family seekers to easily find the names of their choice.

Send orders to The Waverly Genealogical and Historical Society, P.O. Box 15, Waverly IL 62692, plus \$33.00 if you want your book mailed to your address.

One of our latest projects JAG&H Society is working one, is to photocopy a big unwieldy book containing the Minutes of the Old Settlers Association 1868-1898 which contains a Necrological Record of decedents, with death dates, and the Membership Rolls. When computerized and alphabetized this will be a most valuable public record for family history researchers.

## Jacksonville women awarded at World of Poetry convention

Two Jacksonville women were honored as Golden Poets of 1986 at the World of Poetry convention in Orlando, Fla., Aug. 30-Sept. 1.

Mrs. Florence Hutchison and Mrs. Ruby Bridgman, both of whom had entered poems in several contests, were given the Golden Award for poetic achievement within the calendar year. Mrs. Hutchison also won the award in 1985.

Some 3,000 persons attended the three-day convention, with representatives from all 50 states, all 27 provinces of Canada and 17 foreign countries. This was considered to be the largest gathering of poets ever to assemble. There were 2,200 persons honored as Golden Poets, from

a membership of 689,000 who have entered the World of Poetry's contests.

Among the noted speakers on the program were Vincent Price, Maya Angelou, Larry Maraviglia, Dr. Phillip N. Walker, Arion Alston and Herman Berlandt, founder of the Poetry-Film Festival and chairman of National Poetry Week.

John Campbell, editor and publisher of the World of Poetry magazine, entertained with his new show, "Goodnight, Sweet Prince."

Miss Lucille V. Crawford accompanied Mrs. Hutchison to the convention, and Mrs. Vera Meehan of Bluffs attended with Mrs. Bridgman.

**TWO JACKSONVILLE** women, Mrs. Ruby Bridgman (left) and Mrs. Florence Hutchison, were recently honored as Golden Poets of 1986 at the World of Poetry convention in Florida.

Some time ago I was approached by a lawyer's firm to locate the heirs of John Albert Knoepple, of Bluffs, who recently deceased age 94 years of age. We had to go back to his grandparents, John Dietrich and Mary (Vortman) Pieper Brockhouse to search for heirs. I have certainly acquired a lot of family history for the Bluffs area, and for the counties of Cass, Scott and Morgan!

And now, it is time to say "Good-bye" again. May all of you have happy ancestral hunting this fall, a great Thanksgiving holliday, and happy Christmas time. Genealogically and Historically yours,

*Florence Hutchison, Editor*

Dear *GENEAL* People and Friends:

May I first share a good Recipe for Life?

"Take equal parts of Faith and Courage, mix with a Sense of Humor, sprinkle with a few Tears, add a large helping of Kindness. Bake in a Good-natured oven, and dust heavily with Laughter. Serve generously."

If you wonder why some of your letters have not been answered, part of the reason was that Lucille Crawford and I attended this very interesting World of Poetry convention in Orlando, Florida recently.

I was wandering around that huge Marriott's World Center Hotel and saw this lovely lady at the end of a check-in line about a quarter of a mile long! I looked at her name-tag and was amazed that Mrs. Ruby Bridgman was also from Jacksonville IL. So we got together after we arrived home for a nice visit.

A few days later, one of my former neighbors in Greenfield, George Knisley, came by to say that he was awarded a Silver Poet award, but was unable to go to the convention.

George and his wife now live in Exeter, and are very much interested in trying to preserve the history of that almost gone village.

If anybody "out there" has any interesting history about the Exeter area in Scott County, would you please share it with us? With George's help perhaps we may come up with some interesting facts about that historic town of the early days.

Page 1: DIRECTORY OF MEMBERSHIPS, WITH SURNAMES BEING RESEARCHED BY FAMILY HISTORIANS, 1986.

We sincerely appreciate our correspondents who become members of our society and help to support our efforts in disseminating acquired family history and printed indexes and records for this part of west central Illinois. After 14 years, we have collected a lot of records for Morgan, Cass Scott, Greene, Macoupin, Jersey, Calhoun, Pike, Sangamon and Menard, in particular.

Surname research has become a "way of life" for locating possible family connections; therefore we have had much success in printing former membership listings, along with their addresses and surnames being researched. In this way, genealogists can look over the extensive names and probably find some other kindred soul who may have given information on a related family.

This also gives our staff a way to bring all records up to date pertaining to current members, changes of addresses, finding those who are now deceased, and listing more surnames of later research. New members can thus join in with older members, and older ones to have new people who might be researching the same data, and have new information to share.

While some of the surnames listed may be in another area than here, perhaps this may give clues to other states from whence a related family came. Your editor has no way to separate out areas of research. We print what we see on the individual's membership sheet. This year we are alphabetizing the surnames for easier scanning. No matter which way an editor publishes, there are always advantages equalized by disadvantages to whatever system is used.

Our extensive membership lists, of over 600 members in 40 states and Canada, requires much time-consuming and careful recording of addresses, and changes therefrom. We appreciate hearing from members if errors creep in when typing, and we will try to correct our records when necessary. We find that we still have 44 charter members who have been with us since organization in 1972. We have 15 Life Members presently. Several have deceased.

Please! Send change of addresses to us as soon as possible!

We enjoy hearing of your successes, we appreciate your many kind remarks pertaining to our efforts to help such a vast audience, and we try to help with your problem to the best of our ability, and limited time. Good luck, and happy hunting.

The numbering system being included will assist us in making a final computerized surname listing, indicating the person who has particular surnames.

Just as we finished typing this alphabetical index (hopefully with only a few "boo-boo's") we received two more members. We will hold them for the updated membership directory in the December issue, along with any changes of addresses. We have always acquired a lot more members between September and December in years past. This will give the old and new members a chance to get acquainted with one another's ancestral searchings.

Your editor never knows when nor where she will accidentally pick up some data to help some of our members. This was true today (September 23rd) when I entered the office of the Secretary of State. He was not in, but the secretary's name was Beall. She has a lot of family history I am to pick up next week, and I will be giving her some things from Samuel Beall's estate administration papers. As I typed all of these 568 addresses, I saw a lot of duplicate surnames. Warren is going to put them on our computer, along with the number, and when he gets it finished then I will be able to see who all has any one given surname, and as we answer the letters of new researchers, perhaps we can give them some of the addresses. This is a new experiment in putting people together. Wish us luck!

The Northern Cross Railroad built between Meredosia and Jacksonville in Morgan County, Illinois, was the very first railroad in "The Great West" which extended only to the Mississippi River in those early days of the 1830's. This makes for a fertile area of research for family historians whose ancestors answered the following ad in nearly every issue of the *ILLINOISAN*, then the leading newspaper in Jacksonville:

#### RAILROADS

WANTED, 500 HANDS.. We wish to employ good graders, to finish grading the railroad from Meredosia, on the river [Illinois], to Jacksonville, and from Jacksonville to Springfield. We pay our hands on the first of every month. We also wish a few good superintendents, for grading, who must come well recommended. Also stone masons, superintendents, and other hands, to lay superstructure, which will commence at Meredosia on the first of May next [1838]. We have 57 miles of road to contract, and will be able to give employment to a large number of hands, for a considerable time. The country through which this line passes is high and healthy. The work has now been under rapid progress since the first of August last [1837].

[signed by] JAMES DUNLAP & THOMAS T. JANUARY, Contractors.

This railroad "the first in Illinois, the first in the Mississippi Valley", was chartered February 5, 1835. The first rail was laid May 9, 1838. Some 8 miles were laid during that summer, and on November 8th, the first locomotive --the Rogers-- was put on the track at Meredosia. It ran over the old flat bar track 8 miles and back, carrying George W. Plant, Governor Duncan, Murray McConnell, Dunlap and January, contractors, Charles Collins, and Myron Leslie of St. Louis. The chief engineer was Mr. Plant, with Jonathan Neely as the first conductor.

There is more of this history on pages 312, 313 of our 1878 Morgan County History. It was the great pleasure of Florence Hutchison, assisted by Mary Frances Alkire to work with the officials in organizing the "100th Society" in the State of Illinois, at Meredosia on July 27, 1986. Their Charter Memberships are open during the rest of 1986 @ \$3.00 per person. They hope to start the publication of a newsletter or quarterly in the near future.

The charter membership card is a lovely "keep-sake" item. Why don't you join them for \$3.00 for 1986, and receive one labeled "100th Society, Meredosia Historical and Genealogical Society" with a lovely imprint of "The Rogers" on it?

For further information see the membership flyer enclosed with this September quarterly. As of this date they have 75 members. But they need donations (tax deductible since they are already incorporated as a not-for-profit organization), from any source in order to help these enthusiastic citizens of the little village of Meredosia enlarge their museum and library capacities, and take care of expenses in order to acquire the abandoned Depot still sitting trackside.

They may soon have an opportunity to buy the oldest house, if they could secure enough funds. This would give them needed space for the acquisitions of books, railroad materials, and genealogical records they are fast collecting. Our Society has a lot of interested and generous genealogists "out there". Won't you help our neighboring village to preserve your family heritage of west central Illinois?

Send memberships, or donations, to Meredosia Area Historical and Genealogical Society, P.O. Box 304, Meredosia, Illinois 62665.

Your editor had many more items laid aside to put on this last page of the quarterly, but we felt the eager Meredosian historians and genealogists needed our assistance in publicizing their great efforts to preserve their heritage. May God richly bless all of our members and friends through the coming holidays.
