

# Urban Uplander Pet Sitting Service Menu

Urban Uplander Pet Care, LLC

## IN-HOME PET CARE BENEFITS

### **Benefits to your pets include:**

- Staying at home in his/her safe, secure environment
- Being surrounded by familiar sights, smells, and sounds
- Following his/her regular diet and exercise routine
- Having playtime
- Receiving love and personal attention
- Maintaining medical treatment, when required
- Having someone responsible in case of an emergency
- Eliminating the trauma of travel or an unfamiliar environment
- Helping to ensure good health (no exposure to other animals' illness or parasites)

### **Benefits for the pet parent include:**

- Knowing that your pet is in caring, loving hands
- Having the confidence that the pet sitter can deal with other issues - such as grooming, vet visits
- Eliminating the trauma of having to transport and leave your pet
- Not having to impose on family, friends or neighbors
- Feeling your home is more secure (with someone going in and out several times a day)

### **In-Home Services Include:**

- Sanitizing to reduce illness & disease
- Bringing in the newspaper/mail/packages
- Giving each pet clean, fresh, water/food or treats as requested
- Checking on the welfare of shy or reclusive pets
- Cleaning up any "accidents" or messes that may occur/clean litter box
- Watering plants
- Having playtime with each pet
- Checking all internal and external doors and windows
- Monitoring the condition of the home ensuring windows/doors/fence/perimeter is secure
- Changing the lighting arrangement
- Making sure pets are in their proper place
- Making/Sending texted updates for the owners
- Administering medication if needed
- Re-locking the house/restoring any security system

## IN-HOME DAILY SERVICES

### DROP-IN VISIT

**15 Minutes - \$12**

Covers up to 2 pets (\$8 per additional dog)

This service is recommended:

- If your pet(s) have access to an outdoor/indoor potty area (Doggy door)
- If your pet(s) are older and doesn't require a lot of stimulation
- If your dog doesn't need a long walk or doesn't walk far
- If your pet(s) has 4-6 hours without a potty break

### BASIC VISIT

**30 Minutes - \$18**

Covers up to 3 pets\* (\$8 per additional pet)

\*2 dog maximum

This service is recommended:

- If you have younger, middle-aged, or energetic pets
- If you are potty training a dog
- If your dog is crated while you are away
- If you want additional human interaction for your pet
- If your pet(s) go 7-8 hours between potty breaks

### EXTENDED VISIT

**45 Minutes - \$26**

Covers up to 4 pets\* (\$8 per additional dog/cat)

\*3 dog maximum

This service is recommended:

- If you want feeding for any pet in the home
- If your pet(s) requires medication administration or special needs
- If you have multiple, highly energetic pets
- If you want your pet to have more socialization, playtime, and human interaction
- If your pet(s) go 8-10 hours between potty breaks

## 1 HOUR VISIT

**60 Minutes - \$32**

Covers up to 6 pets (\$8 per additional pet)

This service is recommended:

- If you have 5+ pets in the home
- If you want feeding for multiple pets in the home
- If you have multiple pets who need medication administration or special needs
- If you want your pets to on destination walks, 'field trips,' or pack walks
- If your pets go 10-12 hours between potty breaks

## VACATION CARE SERVICES

### 2-A-DAY PACKAGES

#### **Basic - \$34/Per Day**

2 Basic Visits (AM and PM) – 30 Minutes Each  
Covers up to 3 pets\* (\$8 per additional)

Covers up to 4 pets\* (\$8 per additional pet)  
\*3 dogs maximum

This package is recommended for all pets who are on a regular breakfast/dinner eating schedule. Packages include an AM/PM visits with feedings and one midday visit. This package includes optional services such as bringing in any mail, watering plants, administering medication, and changing the lighting arrangements.

## DAYCARE/BOARDING BENEFITS

### **Benefits to your pets include:**

- Staying in a safe, secure environment with surveillance
- Pickup and Dropoff service with all daycare and boarding
- Having supervised playtime and exercise with other fun pets
- Following a customized schedule that will match their regular, daily routine
- Following any feeding schedule, potty schedule, and training regimens
- Corrective behavioral work including socialization, proper play, and basic cues
- Receiving love and personal attention
- Maintaining medical treatment, when required
- Having someone responsible in case of an emergency

## REQUIREMENTS FOR DAYCARE/BOARDING

- Before training services start, we need a consultation to assess every dog's social skills and temperament.
- The vaccinations we require are Bordetella (Kennel Cough Prevention), Distemper and Parvo (DHPP/DAPP/DA2PP), and Rabies.
- Your dog does not have to be spayed or neutered since dogs are under constant supervision, but females in heat must stay home during their cycle.
- Your dog must be on an active Flea and Heartworm Control program.
- Dogs must be over 12 weeks old for group play.
- Dogs must wear a flat collar and ID tag with current contact information.
- If you need to cancel a reservation, please contact us immediately.

## **DAYCARE**

9AM-5PM - \$40/DAY (\$15 PER ADDITIONAL DOG)

Daycare service includes pick up (9:00am-10:00am) and drop-off (5:00pm-6:00pm). Dogs will have scheduled supervised playtime, potty time, naptime, walks, and freshwater. All dogs will receive positive reinforcement behavior training on socialization, proper play, and other basic cues. Daily updates will include pictures and behavioral reports!

## **BOARDING**

OVERNIGHT CARE - \$50/NIGHT (\$20 PER ADDITIONAL DOG)

Boarding service includes pick up (9:00am-10:00am) and drop-off (5:00pm-6:00pm). Dogs should be packed with food for each night plus two days (for just in case), leash, walking device (harness, gentle

leader, halties), current reinforcements, and flat collar with current tags (No martingale, no prong, no choke collars). We provide treats, beds, fresh linens, food bowls, water dishes, kongs, and toys for dogs, so no need to send those. Dogs will be fed on a breakfast/dinner eating schedule unless requested otherwise. Dogs will have scheduled supervised playtime, potty time, naptime, and walks during their stay. We will provide routine updates on how your dog is doing during their stay!
