

Potty Training Tips

- **Have a designated area to take your puppy.**
- **Always take your puppy out: First thing in the morning, after each meal, after a nap, after playtime, and right before bedtime.**
- **Take him out on a leash and get him accustomed to going potty on a leash.**
- **Always praise your puppy after going potty.**
- **Train your puppy to go potty on different surfaces such as concrete, gravel, rocks, dirt, etc.**
- **Feed your puppy on a schedule and take him out after meals.**
