

Dates: March 6th -April 1st

Cost: \$5

How to Play

- You sign up on the google form and pay your fee on the project grad website between February 21st and March 5th <https://forms.gle/8kKQca3BDpKNwJyJ8>
- On the morning of March 6th, you will be emailed (to your school email) the name of your target)
- Friday at 3:45 the game starts
- Your goal is to squirt your target with your water gun in order to eliminate them
- When you eliminate someone, take a picture and DM it to the senior prank insta
- Once you have been eliminated tell your assassin who you had and that becomes their new target
- You cannot be eliminated if you are wearing the safety item*
- If you have not made an elimination within the first 10 days you get put on a bounty list and can be eliminated by anyone the only way to get off the list is by eliminating your original target
- The game ends on April 1st at 11:59 pm. If there is not a winner, the prize goes to whoever is still in and has eliminated the most people

Rules

- ABSOLUTELY no water guns can be brought on LHS campus ever (including nights and weekends) if you are caught with a water gun at school you will automatically be eliminated
- You can't be eliminated inside your house (but your yard is free game)
- You can't eliminate people while they're working (but in the parking lot before or after is fine)
- Must use a water gun (no other type of gun counts)
- No guns with batteries
- Use your best judgment on appropriate times to eliminate people and if an adult says anything to you listen
- Absolutely no going to administration about game disputes, if you get them involved you will automatically be eliminated (come to Shadan or Lexi if you really have a problem)
- Don't do anything stupid that could potentially hurt someone
- You cannot have your friends hold your target down or do anything to physically block them from escaping getting eliminated
- Have fun and be a good sport

Safe Zones

- Anywhere on LHS property
- Inside your own house
- Work (while you're working)

Safety Item

The safety item is something you can wear that acts as a shield. If you are shot wearing the safety item you are not out. The safety item will change periodically so you have to be

watching remind or the project grad website to keep up with what it is. Every time it changes the item will get a little bit harder.
