Tuition and Fees

Registration Fee

A non-refundable registration fee of \$50.00 per child or \$100 per family is due at the time of application. We maintain an advance (deposit) of \$200 (for childcare programs) or \$100 (for after school program) to secure your spot and apply it to the first month of enrollment.

Tuition

Tuition is paid on a monthly basis and is due on the first of each respective month. There is a grace period of 5 days before a late fee of \$25 will be applied to your account.

Please note that your tuition will be charged even if your child is absent from the school due to illness, holidays, or snow days. Each child is entitled to a two-week vacation period each year. There will be no charge for these two weeks.

We accept checks, Zelle transfer, and cash payment for tuition. Online payment through the Brightwheel app is also available. If a check is returned to us by the bank, it is your responsibility to submit a replacement check. A \$35.00 returned check fee will be charged to your child's account. After a second returned check, cash deposits or money orders will be required.

Late Pick-up Schedule

ABC Lab School closes promptly at 6:00 PM daily. Parents/Guardians must arrive at the school, pick up their child, collect all the child's belongings and exit the building by 6:00 PM sharp. If you should have an unexpected emergency and will be unable to pick your child up by 6:00 PM, you must call the School in advance. A teacher will remain with your child until you arrive; however, a late fee of \$1.00 per minute after 6:00 PM will be charged for late pick-ups.

Discounts

There is a 10% discount for families with two or more FULL-TIME children. The 10% will be deducted from the tuition of the oldest child in the family.

Child Care Subsidy and Scholarships

ABC Lab School participates in the Pennsylvania Subsidized Child Care Program that is run by the Department of Human Services through Early Learning Resource Center (ELRC). The subsidized program is to help families of low-income to obtain affordable, accessible, quality child care and to obtain funding. All eligible families must be pre-approved before enrollment. To see if you qualify, please visit ELRC website for more details.
