

This training brought to you through a grant by the
National Rural Water Association,
U S EPA, & Iowa Rural Water Association.

MAY 22, 2024 DISTRIBUTION SYSTEM MANAGEMENT

The Iowa Rural Water Association would like to invite you to join us and your peers for a FREE training workshop. Get valuable information you need from our expert trainers to maintain compliance with state regulations. With a variety of topics, presentations, and speakers our training meets the requirements of system specialists (operators), office staff, management, and decision makers.

This is a Hybrid class that will allow remote participation via Microsoft Teams for 3 of the 5 hours. Participants will be emailed a link prior to the class and must have the Teams app on their computer.
