

This training brought to you through a grant by the National Rural Water Association & Iowa Rural Water Association.

E-ONE GRINDER PUMP HANDS ON TROUBLESHOOTING

The Iowa Rural Water Association would like to invite you to join us and your peers for a FREE training workshop. Get valuable information you need from our expert trainers to maintain compliance with state regulations. With a variety of topics, presentations, and speakers, our training meets the requirements of system specialists (operators), office staff, management and decision makers.
