

This training brought to you through a grant by  
the National Rural Water Association,  
U S EPA, & Iowa Rural Water Association.

## HYDRANTS: VALVES, FITTINGS, INSTALLATION, OPERATION, AND MAINTENANCE

The Iowa Rural Water Association invites you to join us for a free workshop co-sponsored by DSG and Mueller.

The Mueller Mobile Water Distribution Training School is a traveling classroom that is only in the area once every 4 years. Learn about hydrant installation, operation, fittings and more at this fun and relaxed, hands-on learning event. The instructors are highly experienced water industry professionals. Demonstration, discussion, and Q&A throughout the day.

Lunch will be sponsored by DSG. Space is limited so don't delay!
