

Job Title: Gondola Installers (Shelving)

Location: Texas (mainly in Central Texas)

Job Types: Full-Time, Temporary

Pay: \$14.00 - \$25.00 per hour (based on experience)

Job Description: Daytime/Nighttime Installers

As a gondola and fixture installer you will be on a team that is responsible for executing the scope of work for our customer. From a new store opening or remodeling, it is our job to ensure that the job is completed safely and timely. We are currently looking for highly motivated, reliable, hardworking, and honest individuals who are willing to travel within the State of Texas (mainly Central Texas).

Job Duties:

- Regularly help, support, and work effectively as a team
- Report directly to and assist the Project Leader and On-Site Supervisor
- Deliver excellent customer service to our customer and On-Site Project Leader
- Taking directions and executing work scope with minimal supervision
- Loading and Unloading fixtures from trucks
- Set up and tear down shelving, racking, and various store fixtures (gondolas)
- Read a fixture plan to determine correct placement of all fixtures
- Install overhead signage, aisle markers, and other pieces of store décor packages
- Proper building, moving and leveling of gondolas using manufacturer specifications
- Building island, wall gondolas and backroom shelving from the ground up
- Keep a clean and a well-organized laydown yard and a safe work environment

Qualifications:

- Minimum of 1-year experience is a plus, but willing to train right candidate
- Ability to work semi-independently or in a team environment and able to get along with coworkers and our customer
- General carpentry skills, knowledge and experience with building, leveling and moving gondolas
- Ability to demonstrate safe usage of basic power tools, hand tools, tape measure, chalk line and levels
- Ability to read and interpret new store and remodel construction drawings, blueprints, and planograms
- Ability to lift up to 50 pounds, reach, climb ladders, stand, bend, pull, push, twist, and kneel
- Be Reliable! Commit to working the assigned hours provided on the project schedule
- Flexibility to work a changing work schedule based on the needs of our customer
- Provide your own hand tools
- Provide your own transportation
- Ability to travel within Texas for the duration of the project (3-6 weeks projects)

We Offer:

- Competitive wages
- Hotel stay are paid for, while you are on an assigned project
- Mileage is reimbursed, if the need to travel between job sites
- Career advancement opportunities for those who are motivated to succeed
