

Preferred Medal & Award Vendor

JK Custom Apparel & Marketing Designs is thrilled to work with the NDSS for another year on the Buddy Walk Program!

We can offer your walk full color custom medals, plaques, and promotional products. Having a 17-year old son with Down syndrome, the Buddy Walk Program has a special place in our hearts. In fact, our son, Lucas, helps with the medal production, all done by hand in our shop!

Medals are 2 3/4" with 2" full color medal insert (not a sticker) printed with the artwork of you submit as a high res PDF or .EPS file.
 Each medal comes with a neck ribbon in the color of your choice: yellow, blue, or striped yellow/blue.
