

DOMETIC TEC40D SINGLE-PHASE DIESEL GENERATOR 3900 WATTS 230 V AC INVERTER

DOMETIC TEC40D is a single-phase generator equipped with a Hatz 1B20V engine with diesel power supply capable of delivering a continuous power of 3.9 KW.

The modern inverter technology protects the connected consumers from voltage peaks and the generator from short-circuit.

Thanks to its high reliability and low consumption, TEC40D has obtained excellent results in professional use. Among DOMETIC generators in its category, it operates particularly quietly (only 64 dBA at a distance of 7 meters).

Quality features DOMETIC TEC40D Single-phase Diesel Generator 3900 Watts 230 V AC Inverter

- DOMETIC remote control
- 12 V voltage for battery charging
- Automatic shutdown in case of low oil level
- Electric ignition
- Overload and short-circuit protection
- Soundproof housing
- High continuous power
- Suitable as a power source for all Dometic air conditioners
- Very low power consumption
- Possibility of parallel operation of two TEC 40D (for continuous power of about 7 KW)
- DOMETIC remote control for display of all operating parameters

TECHNICAL FEATURES DOMETIC TEC40D

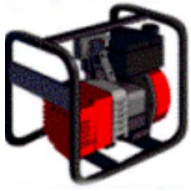

Fuel: Diesel
Phase type: Single-phase

Characteristic	Value
Phase	Single phase
Maximum power single phase (KW)	3.9
Continuous power single phase (KW)	3.5
Fuel	Diesel
Frequency (Hz)	50
Voltage (V)	230
Engine	Hatz Hatz 1B20V
Starting system	Manual / Electric
Net power (kW)	4.7

Short description

OUT OF PRODUCTION

Fuel: Diesel
Phase type: Single-phase
Maximum single-phase power (KW): 3.9
Continuous single-phase power (kW): 3.5
Voltage (V): 230
Frequency (Hz): 50
Motor: Hatz 1B20V
Inverter
Consumption (Kg/h): 1. 4
Length (mm): 765
Width (mm): 467
Height (mm): 457
Dry weight (Kg): 96.5

DOMETIC GENERATORS

Onboard Generator Solutions

Maximum single-phase power (KW): 3.9
Continuous single-phase power (kW): 3.5
Voltage (V): 230
Frequency (Hz): 50
Motor: Hatz 1B20V
Inverter
Consumption (Kg/h): 1.4
Length (mm): 765
Width (mm): 467
Height (mm): 457
Dry weight (Kg): 96.5

Certifications DOMETIC TEC40D Single-Phase Diesel Generator 3900 Watts
230 V AC Inverter CE, E24

DOMETIC TEC40D generators always ensure an abundant power supply on board, for air conditioners, appliances or work equipment. The generators equipped with variable speed technology, save fuel and are low-noise.
