Did you have a garden plot with this community garden last year?

_____ Yes _____ No

If yes, do you want the same garden plot this year?

_____ Yes _____ No

Collection of a plot fee is required before the plot can be assigned. This fee will go toward expenses of the community garden (water bills, plant/seed purchases, community tools, etc.). This fee will change annually, depending on the number of available beds and the status of the 501c3. We will keep you updated on all fee changes.

Please mark three areas that you would be interested in volunteering with during the season. Each gardener is expected to help during the season with general chores. Please check below which tasks you may be willing to perform:

___ Property maintenance

___ Construction projects

___ Watering

___ Annual planting

___ Fall cleanup

___ Composting

___ Social events

___ Public Outreach

I have read the Community Garden Rules and understand that failure to meet the guidelines will result in loss of gardening privileges.
