Our Water Superintendent for the last five and a half years, James Moellers is leaving Pinewood on September 10th. We wish him well in his new endeavor. The Water Board is in the process of finding someone to replace him. Not an easy task with the pandemic situation right now. We have a couple of strong candidates and the Board hopes to decide this week.

Next Water Board meeting will be held on, **September 22nd at 7:00 pm**. Due to the Delta Variant surge, this meeting will be held virtually via Zoom. To be included on the next agenda or to receive a Zoom invite, please call, 303-823-5345, or email Gabi (pswdadmin@att.net)

Please report all water issues and emergencies anytime to 303-823-5345.

Since the Board has replaced the “No Fishing” rule to “Youth Fishing Only”, we have had an expert analyze Crescent Lake. There are some small trout, however, he also said we had a good number of Chub. If your child happens to catch a Chub, please don't throw them back. They are not good for the health of the other fish or the lake.

The next Board meeting is **Wednesday, September 15th 7:00 pm via Zoom**. For more information, please access our website at **pinewoodspringsPOA.com**
