New Business

- Fall Festival: Sue Painter announced a Fall Festival to be held October 6 from noon to 4 to provide safety information to new residents and to celebrate fall. Laura Levy will provide a pig roast, and all will participate in a pot luck. Tables to advertise and hand out materials will be for rent by local businesses and neighborhood boards. The PSPOA voted to provide water and cider, and to have at the table: membership forms, address sign requests, the "good neighbor" letter, a map with streets and filings demarcated, and labels with the web address to access the Covenants.

Old Business:

- Hospitality Services:
- Larimer County held input sessions for residents to share their opinions regarding short term rentals, but a search of the website did not show any results of the meetings.
- The Cherry Company has a two-day event this weekend. Be alert for the presence of Porta-potties and/or excessive noise and call to complain. Gabi will check with Mr. Hammel regarding the documentation he promised us of what the wedding permit covers.
- Newspaper Boxes: Gabi has called the papers and been unable to reach a human or get a response. Joan will remove and recycle/salvage the boxes shortly.
