The broken door on the Little Library located at the Bulletin Boards has been fixed. Thank you Kerry Grimes. We ask the users to please help by keeping the door latched.

The beautiful art tree at Crescent Lake is almost complete. Carver, Faye Braaten from Loveland (aka Chainsaw Mama) has completed her portion. Art Caruso provided the scaffolding, manpower to set it up and also was kind enough to get the first couple of coats of wood sealer on the newly created statue. Steve Fitzgerald provided cleanup around the tree. He is currently working on a fence and landscaping at the base of the tree. We have memorial plaques on order. This Pinewood Beautification Project has been paid for by your \$25.00 membership fees. Thank you all for your support!

The PSPOA is holding a firewood lottery. There are several dead trees at the TUBS area that should be removed. If you are interested in cutting down one of these trees and doing cleanup of slash for the wood, please contact Gabi at gb4949@aol.com or 303-823-5345. Deadline to enter your name in the lottery is September 1.

Jeff Foreman has donated a wooden play set with swings, a slide and a tower to the people of Pinewood. Last weekend a dozen or so folks gathered at the TUBS to finish installing it in a permanent position. Those present were Fire Chief Ted Plank, Art, Carrie and Ashley Maese, Sue Painter, Kerri Larson, Amy Slaughter, Kathleen Cundall, Terry Taleck, Byron Selman, and Bob and Gabi Benson. Steve LeMaire and Cindy donated supplies and helped previously. Scott of Lyons Ex assisted with the move twice! Thanks to all that participated with the installation.

The next Board meeting is August 21st, 7:00 pm at the Fire Station Community room.
