

Pinewood Springs - August 2021 – Newsletter

Water District – pswd.com-303-823-5345

The refurbishment of the 100,000-gallon tank (our oldest one) on Elk Road is almost complete. It has been cleaned, the interior sandblasted and relined, and the exterior refinished and repainted. A safety cage was added to the exterior ladder. A new shutoff valve was installed, and all the gauges were repaired.

Next Water Board meeting will be held on **August 25th, at 7:00 pm**. This meeting will be held virtually via Zoom. To be included on the next agenda call, 303-823-5345, or email Gabi (pswdadmin@att.net)

Please report all water emergencies anytime to 303-823-5345.

Pinewood Spring Fire Station & Community Center – pinewoodspringsfire.org

A Defensible Space Survey may be requested by accessing the Fire Protection District website <https://www.pinewoodspringsfire.org/> where there is also excellent defensible space mitigation information.

The next Fire Board meeting is **Wednesday, August 11th at 7:00pm**.

Road District

The Road Board starts meeting in person at the fire station on Aug 3rd at 7 PM. Please wear a mask if you attend. We do have attendees who have compromising health issues.

You've probably noticed recent work on our roads. Remember that maintaining low speeds is the one thing we can all do to minimize road damage.

The Road Board is working with PSPOA to update and maintain the Road Board page on the website. Access pinewoodspringspoa.com for the latest Road Board information.

If you have road concerns, contact Pat Dewey - 823-5024

The Next Road board meeting will be at **7 PM on August 3rd** followed by another meeting on **October 5th**.

Pinewood Springs Community Church -303-823-6272

Joanne Dobie and Jason Morgan will be in the pulpit this month. We hope to have Nancy back on the last Sunday of this month.

Worship is at 10am with coffee or tea and conversation afterwards in Fellowship Hall.

Pinewood Springs Property Owners Association – 303-823-5345

The PSPOA's part of the Mailbox Project is complete. A big thank you goes out to Pinewood resident Jerry Balmes and his crew for volunteering their time to construct the concrete pad and install the new mailboxes. The PSPOA paid for the cost of materials. The Lyons Post Office is in the process of assigning the boxes and completing the project. Remember Jerry's name when you next need any building projects done.

There is still a vacancy on the Board. Please consider volunteering.

The next Board meeting is **Wednesday, August 18th, 7:00 pm via Zoom**. For more information, please access our website at pinewoodspringsPOA.com
