Water District

What a difference a good snow pack makes on our water supply. The Little Thompson, which in years past typically dries up around the first week of July, is still flowing. Our storage tanks are full and so is the reservoir. What a great year for replenishing the water table!

Our next meeting is **Wednesday, September 25, 7:00 pm** at the Fire Station Community room. To be included on the next agenda, call Gabi at 823-5345. Please visit our website at www.pswd.com to view the District's Rules & Regulations and other interesting information.

Pinewood Springs Community Church

Join us as we welcome Jason Morgan back to the pulpit for the month of September. He was last with us in May and has graciously agreed to come back. Worship is at 10am with coffee and conversation following in Fellowship Hall.

On Saturday, September 21, let's come together as a community to do our part to beautify the highway. We will be organizing in front of the fire station at 8am where we will be given our vests and bags to begin cleaning mile markers 10-12. The plan is to finish by 10:30am. Be sure to bring gloves!

Open AA meetings are held every Wednesday evening at 7pm in Fellowship Hall.

Pinewood Springs Property Owners Association

If you haven't already seen it, there is a new bear on the Pinewood Springs sign. This one was created by Loveland chainsaw artist, Faye Braaten (chainsawmama.com). She is also the one that carved the beautiful History Tree at Crescent Lake. The new sculpture was sponsored by ex-Pinewood resident (though always here in spirit) Jeff Forman to give back to the community. Art Caruso was kind enough to install it on the sign for us. We also want to thank Steve Fitzgerald and his sister for putting up the protective fence around the History Tree sculpture. The plan is to plant flowers next spring. And we are still waiting on three plaques that will be placed on the tree.

Please help the PSPOA protect these two wonderful projects. If you see or hear anything suspicious, investigate or call 911.

The next Board meeting is **Wednesday, September 18, 7:00 pm** at the Fire Station Community room.
