

Pinewood Springs Newsletter

March - 2019

Water District

As most of you know, the Reservoir located behind the Cherry Company is off limits to all activity. However, recently the Water Board gave the Fire District permission to hold ice rescue training at the site, date and time to be determined. This is a onetime training exercise and does not change the no trespassing policy that is in place.

Our next meeting is March 27th at the Fire Station Community room. To be included on the next agenda, call Gabi at 823-5345. Visit our website at www.pswd.com to see the District's Rules and Regulations and other interesting information.

Pinewood Spring Fire Station & Community Center

The Pinewood Springs Fire Department would like to remind you to **CALL 911 FIRST** in an emergency. Stay on the line until the **911** operator states you can hang up. Do not call a neighbor or a firefighter you may know as that will only delay the response of local and mutual aid resources. Even a short delay can make a difference in saving a life or managing an unexpected and serious situation. So please remember: in an emergency, **CALL 911 FIRST** to initiate local help. This will ensure that you get a rapid and direct response.

To apply for a burn permit, please access the Larimer County website at this link: <https://www.larimer.org/health/clean-air-water-and-soil/air-quality/burn-permits>

Next Fire Board meeting is March 13, 7:00 pm at the Fire Station Community room.

Road District

The Road Board has a new Board member, Pat Dewey, which now gives us our quota of 5 volunteers. We will be discussing work on EPE drive at the upcoming meeting. Please attend and help support us!

The best and easiest method of contacting the Road Board is by email at RoadBoard@Pinewoods.us or by calling our voice messaging service at (303) 895-3848. All board members are notified through either method insuring the quickest response. Next meeting is April 2nd, 6:00 pm at the Fire Station Community room.

Pinewood Springs Property Owners Association

Chief Plank has asked the PSPOA Board to assist with the update of our local Community Wildfire Protection Plan or CWPP. We welcome help from any individuals that would like to know more about the plan and assist with the update. If you need a copy of the latest version, please contact me. See contact info below.

Call me at 303.823.5345 or email me at gb4949@aol.com to order or pickup an address sign.

The Board is still thinking about carving the historic tree at Crescent Lake. If you would like to be involved in this project, please come to our next meeting.

The next Board meeting is March 20th, 7:00 pm at the Fire Station Community room. Please join us!

Pinewood Springs Community Church

Joanne Dobie returns to the pulpit for March and April. Worship is at 10am with coffee and conversation following. Adult Bible study is the first and third Tuesdays at 7pm. All are welcome anytime.
