Meeting schedule at Crescent Lake

Crescent Lake Drainage: Meeting scheduled for 10am, October 22nd (Saturday)

Tubs Park Upgrades: walking path gravel application seems to be working well, we may want to expand with more gravel next spring.

Plexi glass on sign has been patched.

PWS Logo: we have received one submission so far from a resident for logo design, will post on the FB page and see if we can draw more interest. Waiting to order T-shirts until a decision is made.

Fawn Court Nuisance Light: tabled until later in the year.

Free the Tree: tabled until later in the year.

CWPP: document is still in draft form, but will be finalized soon. Calendar should be complete beginning of November. CWPP response team needs community input. They sent out a Survey Monkey survey recently,

for community resident to please complete it.

Update on Colorado State tax exemption: No further updates.

Website: Jane's september wildlife tips were posted, along with August minutes. We have an item section on the resources tab regarding short term rentals. It was suggested we move this information up to its own dedicated tab to make it easier to find.

History Tree: time for a new coat of protective stain. Gabi is in contact with the guy who has already been contracted to do the work, will provide an update.

Returend Dues Checks: two dues checks that were both sent by Wells Fargo bounced this year. Gabi investigated. WF has a 90-day expiration on all their checks. These were lost in the mail and had expired before we tried to cash them. We incurred \$24 in fees (\$12 per check) but Gabi was able to negotiate the refunding of these fees. Both residents have re-paid their dues fees and are now current.

Treasurer's Report: very little activity since last month, a few more resident dues, an address sign, and a \$2 activity fee pretty much sums it up [see attached]. 990-N **electronic postcard filing** has been filed with the IRS.

Membership Report: 225 members

Suggestions/Announcements: none
